Racer must be ranked in a minimum of 6 races
D + H = Ladies and Men

FINALS' Races receive double FIS-MC Points (generally SL and GS). If the last race of the season is part of the Criterium Week, only 1 race (generally GS) receives double points = for 1st place 50 instead of 25

If Alpengcup Races get organized as National Federation Races with international participation, they are not qualified for FIS-Points
