

RULES FOR THE TELEMAR FIS WORLD CUP 2009/10

1. Organization

Jury according to Art. 601.4 Alpine ICR

1.1 Telemark Giant Slalom, Classic, Sprint

With voting right:
the Technical Delegate
the Chief of Race of the Organizing Committee
the Race coordinator (Race Director) as Referee, appointed by the FIS Telemark Committee
The Referee has the deciding vote in case of a tie.

1.2 Substitution of a Jury Member

If due to "force majeure" one of the members of the Jury, nominated by the FIS Telemark Committee is unable to participate, the referee appoints a qualified substitute. In the event that the referee is unable to participate, the FIS Telemark Committee appoints a substitute.

2. Setting the course

2.1 Classic

The World Cup coordinator nominates a coach to be the course Setter. For Classic, Race coordinator can set the course himself or using a local course setter or using a coach if the slope has some special characteristics. The control and approval is carried out by the Jury.

2.2 Telemark Giant Slalom & Classic Sprint

The course is set by the coaches who are appointed by the coaches working group. The control and approval is carried out by the Jury.

3. Qualification

3.1 General

3.1.1 Qualification standards

The qualification standards will be established before each season, as defined by the FIS Telemark Committee. The standards cannot be modified

during the season except for safety reasons. To participate all racers have to prove that their yearly FIS World Cup Racers Fee (CHF 50.—per season charged by the FIS Telemark Committee) is paid. A FIS Official is responsible for collecting this fee and ensuring that it has been paid before the competitor's first start of the season.

3.1.2 Ladies and men's qualifications

These standards can be different for ladies and men's events.

3.2 Basic quota

No quota as of the date of this revision.

3.3 National quota

No quota as of the date of this revision.

3.4 Limitation Telemark Giant Slalom / Classic Sprint in 2 runs

There is no limitation. All racers who did finish the first run are able to start at the second run.

3.5 Combined

Winner of the combined is the competitor who has the best overall time (sum of the times in the disciplines counting for the Combined).

3.5.1 Participation requirements

All competitors must fulfil the requirements of participation in the single disciplines counting for the Combined.

3.5.2 Organization of the Combined

All competitors entered for the Combined who finish the first run are qualified for the second run.

All competitors who are classified in the first race and in a second race will be classified in the Combined.

4. Payment of expenses

4.1 Competitors

4.1.1 Payment

Accommodation, full board and beverages have to be paid by the teams and/or National Ski Associations and/or the racers.

4.1.2 Prices for accommodation

The package must be at the maximum price of CHF 100.— for accommodation and full board, ski pass, racer entry fee and beverage with

meals or CHF 85.— for accommodation and half board, ski pass, racer entry fee and beverage with meals.

A discount is always welcome for the teams, as all Telemark teams are not professionals.

4.2 Officials

4.2.1 Nationals officials

For officials (representatives of a National Ski Association, trainers, physiotherapist, doctors, technicians) of teams, the costs for accommodation, full board or half board will be maximum the same amount as for the racers.

4.3 Right of accommodation

Each National Ski Association has to announce to the Organizers the expected total number of team members (competitors, coaches, accompanying persons and service personnel) by the deadlines fixed and announced before the competition season. Furthermore the Organizers must be informed latest 5 days before the official arrival day about the names of the team members, eventual changes to the arrival date and the originally registered size of team, as well as an eventual withdrawal from the event. If this is not done, the Organizing Committee will invoice the costs incurred for cancelled accommodation (art. 4) to the National Ski Association concerned. Teams or persons who register late have no right for the reservation or the payment of accommodation expenses.

4.4 Quality of accommodation

The Hotels for the teams must at least meet the requirements of an international two star category hotel.

Breakfast and dinner must be served at the actual Hotel if possible. The World Cup Coordinator can decide during his summer inspections whether alternatives are acceptable.

4.4.1 Ski rooms

The hotel or the OC must make available heated rooms (room compartments, containers) for storing and waxing the skis. These rooms which can be locked should be large enough (30m² minimum) and adequately equipped for ski maintenance (tables, electricity etc.). The ski rooms must be ventilated.

4.4.2 Waiting Room/Area

The OC is requested to put at the disposal of the competitors a special heated and separate waiting room/area near the start or finish area in which the competitors can stay during training intervals and/or between the two runs of a competition. No separate waiting room has to be organized if the finish area or means of transport to the start are within the resort itself.

4.5 Full board and beverages

4.5.1 Quality and quantity of meals

Food must be healthy, plentiful and correspond to the needs of highly competitive athletes.

The meals must meet at least the following guidelines:

Breakfast: Bread, butter and jam, milk, coffee with milk or tea. Choice of eggs, cheese, sausages and different kinds of cereal, yoghurt and fruits (breakfast buffet).

Lunch: Choice of at least two menus:

Soup or appetizer, 200 g meat (steak, etc.) poultry or fish, in agreement with the teams. Vegetables or other supplements, cheese, fruit or deserts.

Dinner: Same as lunch.

A sufficient quantity of non-alcoholic beverages are to be included with the meals.

4.5.2 Mealtimes

The hotel must adapt itself to the needs of the schedules which depend on the training and competition program. For instance, for Telemark Giant Slalom and Classic Sprint events, in general, breakfast is served very early in the morning.

4.5.3 Place of meals

Breakfast and dinner must if possible be served at the actual hotel. The World cup coordinator could decide during their summer inspections whether alternatives are acceptable.

4.5.4 Information of agreement

The OC is responsible for informing the hotel management of the agreements with regard to accommodation, full board and of the daily program, including eventual changes.

5. Organizer Fee

The fee is as follows:

World Cup per organiser	CHF 1 500.—
World Championships	CHF 3 000.—

This fee is to be paid 30 days after confirmation of the event by FIS directly to the bank account of the FIS Telemark Committee. If the fee is not paid in due time the event will be cancelled.

This fee is used to fund the expenses of the World Cup coordinator and Telemark development.

5.1 Travel expenses

The Organizing Committees of FIS Telemark World Cup events are required to pay the travel of the Technical Delegate and World Cup Coordinator as well as hotel with full board. If a competition is stopped or cancelled, those expenses must be paid to the TD and WC coordinator if they travel to the site or incurred expenditure in relation to the event e.g. cancelled air ticket.

6. Prize money

The Organizer is requested to provide prize money for Ladies and Men at equal value.

In case of combined evaluations to the 3 best. The amount of prize money and its method of distribution must be communicated to the FIS Telemark Committee before October 15th. If more than one competitor is on the same rank, the amount of the next rank(s) is added and divided by the number of competitors concerned. The payment must be made at the awards ceremony in cash and in convertible currency, taking into consideration the local tax laws. The Organizing Committee must assist the competitors with matters relating to taxation problems with prize money in the country in which the competition is held.

7. Insurance

With reference to Art. 212 of the ICR.

Before the first training day or competition, the Organizer must be in possession of a binder or cover note issued by a recognized insurance company and present it to the Technical Delegate. The Organizing Committee and its members require liability insurance with coverage of at least CHF 3'000'000.— (3 million).

8. Starting times and starting intervals

8.1 Starting times

The fixed starting times have to be observed. In case of postponement a decision is taken by the World Cup coordinator.

8.2 Starting intervals

The World Cup Coordinator determines the starting intervals, up to max. 2 minutes and TV breaks together with TV and OC.

On the competition day, decisions about eventual changes (weather conditions, etc.) are made by the jury.

9. Enrolment of competitors / starting list

9.1 Enrolment for GS, CL, SC training

9.1.1 The best 15

The best 15 competitors present are enrolled according to the actual WC ranking lists in the given discipline. If the difference in standard between racers is too great, the World Cup Coordinator may propose to the jury that the 1st group has less than 15 racers. Their start numbers are to be randomly selected.

9.1.2 Enrolment after the 15th competitor

Competitors with at least 250 Telemark FIS points are enrolled after the 30th competitor (starting order according to the discipline WC ranking list, if not available, then according to FIS points).

If competitors miss a public handing over of starting numbers without excuse, they will be enrolled on the starting list behind the last racer in the same group.

9.2 Starting order 2nd run

In competitions held in two runs (SP, TSC) all competitors are qualified for the second run. When the starting order of the 2nd run is presented, the results of the 1st run are deemed official. Starting list of 2nd run must be placed in the finish area on the score board and in the start area.

9.3 Obligations of communication

After a run, the OC has the obligation to present on the score board in the finish area, the list of racers who DNS, DNF and disqualified. This list must be presented max 20 minutes after the last racer crossed the finish line and contain the referee's signature and the indication of the time when it was published on the score board.

9.4 Leader bib

The World Cup leader in the corresponding discipline starts with the leader bib. This bib will be provided by FIS. If the Organizer wishes to use their own leader bibs then the organizer must also include the FIS leader bib sponsor on their leader bibs.

9.5 Yellow flag

The yellow flags needed for the skating area, jump and free zones will be provided by FIS Telemark Committee. If the Organizer wishes to use their own yellow flags then the organizer must also include the FIS yellow flags sponsor on their yellow flags.

10. FIS Telemark World Cup Points

10.1 Schedule

Competitors ranking first to 30th (single disciplines and Combined) are awarded points in accordance with the following schedule:

10.2 Several competitors tied for the same position

If several racers are tied for one of the top 30 positions in a race, each of the competitors who are tied receive the points corresponding to that position. The remaining competitors receive the points corresponding to their official classification in the race.

10.3 FIS points list

The FIS points list published periodically is presented on www.telemarkski.org

11. Classification

11.1 General

11.1.1 Ladies and men

The formula will be the same for ladies and men.

11.1.2 Modification during the season

In no case can the formula be modified during the season.

11.2 Competitors having attained the same rank

Number of places, equal number of points

If at the end of all the events, a number of competitors are placed equally within the top six (6) positions in the overall classification, or, if in the classification of the disciplines a number of participants have achieved an equal number of points, then they shall be placed according to the number of their 1st places, then their 2nd places, 3rd places, etc. If they cannot be

classified by this system, they will each receive the medals corresponding to their placing.

11.3 Classification per discipline

For the standings in each discipline (ladies and men), all results (World Cup points) of each competitor in the discipline concerned shall be counted.

11.4 Overall Classification

The overall individual standings will be counted for men and ladies on the basis of all results (World Cup points) a competitor has achieved in each of the three (3) disciplines and the results (World Cup points) in the combined races.

11.5 Overall Nations Cup Classification

The Nations Cup will be awarded to the team that achieves the highest total of World Cup points during the course of a season adding the total ladies and men's points from the overall classification. In addition the points of all competitors in race(s) which are eventually only valid for the Nations Cup will be added.

12. Awards

12.1 Winner of the FIS World Cup

The competitors who have won the overall classification will be named "Winner of the FIS Telemark World Cup".

12.2 Winners of the disciplines

The winners of the disciplines shall be honoured as "Winner of the Classic, Telemark Slalom, Sprint Classic Telemark FIS World Cup".

12.3 World Cup Trophy

The winners of each discipline and the winners of the overall classification will receive a World Cup trophy.

12.4 World Cup Medals

The 1st, 2nd and 3rd ranked competitors of each discipline and of the overall classification will receive medals.

12.5 Provision of awards

The overall trophies and medals will be provided by FIS.

12.6 Prize giving ceremony

The results can be presented only after the TD has checked and signed them. Results must be sent to FIS (Trond Gunleiksrud page 1 of this guideline) one hour maximum after the last racer crossed the finish line.

13. World Cup courses

13.1 Accreditation and access rights

Accreditations must be handed out to the teams according to Art. 606 of the ICR. Free access to the ski area as well as transportation on ski lifts, etc. must be granted to all competitors, coaches and officials. The access to the race course is only possible when specially allowed by the World Cup Coordinator (Chief Race Director of the FIS) after clear agreement with the Organizers. The OC must provide for the teams reserved parking within proximity parking of the hotel, the lifts as well as the finish area.

13.2 Non-essential changes

In cases of immediate – non-essential but necessary – changes on the course, such as small removal of gates, an additional inspection or training run is not necessary. Details must be communicated to all Team Captains and competitors must be informed by one member of the jury at the start. The jury must be informed in advance of the changes and racers information, jury authorisation must be given to the OC.

14. Duration

The FIS World Cup is held every year during the period from July 1st to April 30th.

15. Homologation

All competitions can only be granted to Organizers who have valid Alpine homologated courses. The Organizer expressly confirms that all courses chosen for the FIS Telemark World Cup events have been homologated by alpine procedure. The courses and the situation of the finish area must conform to the criteria's fixed for TIGR. Also, the basic preparation of World Cup courses must be guaranteed by snowmaking facilities with sufficient capacity. The World Cup Coordinator has the authority to use an alternative course, proposed by the Organizer. This alternative piste however must guarantee a proper run of events.

16. Prohibition from including additional races

The Organizer of an approved competition program is forbidden to add any additional race without request and support by the National Ski Association to the FIS and without permission of FIS.

17. Cancellation and new allocation of competitions / events

Basically all cancelled competitions / events return to FIS.

17.1 Cancellation during an event and new allocation

Races, which have to be cancelled during an event due to a “force majeure”, or non-fulfilment of requirements will in exceptional cases be rescheduled at events which already figure in the calendar.

17.2 Cancellation within the prescribed period and new allocation

17.2.1 In the event that there is not enough snow on the course(s) selected for the races, the Organizer must cancel the event. This must be done ten (10) days before the race.

FIS can nominate experts as snow controllers who inform the race Coordinator (Chief Race Director) about the conditions.

17.2.2 A cancellation includes all races of the event. FIS decides about a possible new allocation on the originally scheduled dates.

17.3 Unusual conditions

In cases of unusual conditions, the WC Coordinator has the authority to establish a suitable starting point below the minimum vertical drop. This will take place as early as possible. In order to allow the completion of a race, the WC Coordinator can shorten the course, relocate it, or if necessary, amend a classic to two runs which will make a sprint classic. Agreement with TV must be made by the WC Coordinator as early as possible.

17.4 Interference with another FIS World Cup race

A replacement race must in no way interfere with another scheduled FIS World Cup race already listed in the FIS World Cup calendar. Postponed races also count as replaced competitions.

17.5 Races after the FIS World Cup Final

No races counting for the FIS World Cup may be rescheduled after the FIS World Cup Final.

18. Rescue service – Medical Support Requirements

The Organizer is responsible for setting up and operating during all competition times (training and competitions) an appropriate rescue service.

The Medical Support Requirements for FIS Event Organisers are set forth in the ICR, 221.6 as well as chapter 1 of the FIS Medical Guide (containing Medical Rules and Guidelines).

Two safety patrollers present for Classic (start and jump), except if the jump is present at the start, in this case the second safety patroller will be present at the middle of the course. For Sprint Classic and Telemark Giant Slalom, one safety patroller will be present at the start. There are no obligations for doctor to be present, but he/she must be informed by letter in advance by the organisation about the event. A doctor should be able to be present in less than 20 minutes after he is informed.

18.1 Safety Requirements

All snow canons have to be protected by mattresses.

A net must be placed from the top the finish line in case of a slope opened to the public. In certain cases, double nets must be placed with a gap between both to serve as a shock absorber.

No nets around the 360°.

No material around the jump.

No wooden flags in the cross country sections, 360° and anywhere along the course.

No colour chemical product placed on the piste without spaces for the jump lines.

The rescue patroller(s) must have a diploma and adapted rescue equipment present with him/them.

In case of using finish line poles, they must have mattress and well placed protection.

18.2 Factors for FIS points calculation

	Factors for points calculation	Maximum FIS points
GS	660	250
CL	375	200
SP	500	250

19. Matters of contention

For all matters of contention that cannot be solved by the existing rules, the World Cup Coordinator has to make a decision.

20. Control and supervision

The World Cup Coordinator is responsible for the adherence to and observance of these rules.

21. Rules of FIS

The TCR is present on www.fis-ski.com
