Competition day - Staff / Material	# of People
Starter	1
Assistant Starter (1 on the kicker and 1 on the ground by the stairs with radios)	2
Chief of Competition (in Jury)	1
Maintenance Crew for Sport	6-8 with shovels (no skis) – with different materials - e.g. zip ties, claw, etc.
Slippers	10-12 experienced skiers with shovels
Security – Crowd Control	10-?? around the ramp – depending on spectators and local-authority
Accreditation control	6-10 round the ramp – depending on different zones and spectators
Exit-Gate control	1
Medical Person – Doctor - SOS People with car (for all training and competition days)	2 minimum at site – finish area 4 two groups á 2 persons and 1 car – 1 crew have to leave 1 is still on site
Building Crew (separate Crew)	4-6 to help building TV-platforms, etc.
Some spare snow beside the ramp – crane must be always ready	1-2 for the crane
Score/Results/Notice Board – Finish	2 to write down scores – radios
Runner	2 1 copy for results, 1 for press
Award Ceremony (Place 1-3)	4 1 responsible person 3 to present the awards
Doping Control (not on each WC venue)	6 6 men (chaperones)

FIS-Data processing, timing and venue-setup agencies (Swiss-Timing and ASS Angerer Peter) will contact OC directly for additional transport and staffing needs.

Fencing / Padding	1 m crowd control metal fence around the whole finish area. B-net on both sides of the landing (2 x 20 meters). B-net on one side of the flat (2 x 20 meters). Padding on both sides from start to finish. Double-Padding on the flat between kicker and landing. Other safety issues as per required by competition jury.
--------------------------	---

Judges Stand	Out of scaffolding – on the edge (flat-landing) – 7,5 x 2,5 meter and 2 meter high - completely closed on three sides (water resistant) – with tables and chairs for 8 people. Heat and power for computer (separate electric circuit) are required.
---------------------	---

Dye	Blue for colouring kicker and landing (minimum 3 pumps)
------------	---

Snow preparation	If necessary we use fertilizer, regular-salt and water.
-------------------------	---

Official Notice Board	A suitable board in the finish area (marked as “OFFICIAL NOTICE BOARD) - close to the exit gate (minimum 3 x 2 meters) to post official results, jury decisions, information etc. and to write down scores during Qualifications and Finals.
------------------------------	--

Riders Tent	Available for competitors - minimum 7 x 5 meters, closed, secured and heated with tables and chairs. (restaurant within 100m is adequate).
Drinking water	Hot tea and cold water (without gas) during training and competition for competitors.
Toilets	1 toilet located close (100m) to start area (portable toilets).
Sound System Speaker DJ	Specifications as per sound company and local situation – during competition not to loud that we can run the event. For training minimum music is required. English is required and respective national language – the best is two speakers (also for training, qualifications and awards). Very important – musical selection depends on the audience and local habits.
Communication / Radios	Swiss Timing provides 14 radios to run the competition (these are only for the sport not for security, concerts, etc.). OC needs extra radios for internal communication.
Data Building	A heated lockable building/container with power (separate electric circuit) and tables and chairs for 4 people (minimum 20 square meters), located adjacent to the judges stand on the ground is required. There are cables from this container to the judges stand and to the TV-compound. FIS data processing company (Swiss Timing) will provide more details.
Awards	A stage (5x4 meter) beside the finish area (where TV cameras have easy access) with a table for the prizes. Before a corridor with 1 meter crowd control metal fence for press/TV/photographers. Awards backdrop and award-stairs are coming from ASS (Angerer Peter).
Power	Will be needed at: - Start - Judges Stand - Kicker - Flat - Data Building - Finish-area - Award-Stage - Riders Tent - Speaker/DJ
