Audi FIS Ski World Cup Public Draw/Pick and Official Awards Procedures 2017/18

We kindly ask that you please read carefully and follow all the steps below as part of the Audi FIS Ski World Cup Official Awards and Public Draw Procedures. These procedures will be discussed during the Operations Production Meeting and therefore FIS advises all organizers to include all the relevant personnel mentioned below to be in attendance.

PUBLIC PICK* / PUBLIC DRAW

* PLEASE REFER TO RULE FOR ALPINE WORLD CUP (Rule # 9.3) RELATING TO START ORDER FOR DH, SG AND AC (IF 1ST RUN = DH OR SG):

The best ten (10) present competitors (quota adjusted) of the corresponding event WCSL choose their bibs between 1 and 19 odd numbered bibs only. The available even numbered bibs between 2 and 20 will be drawn between the next 10 competitors on the board (11 to 20) Bibs between 21 and 30 will be drawn between the next 10 competitors on the board (21-30). Thereafter the enrolment is made according to art 9.1.2.

SHOW-UP TIME

• **Technical Events (GS,SL)**

We have a split show up time for our athletes for our Technical Events Public Draws:

Racers present ranked WCSL 8-15 must show up 15 minutes prior to the start of the public draw

Racers present ranked WCSL 1-7 must show up by the start time of the public draw.

• **Speed Events (DH,SG,AC)**

There will be only one show up time for our Speed Event Public Picks:

Racers present ranked WCSL 1-10 must show up 15 mins prior to the start of the public pick.

MEETING POINT / WAITING AREA

Athletes often spend 15 to 30 min at the meeting point; therefore we require that the OC's arrange a meeting area, which fulfills the following requirements:

- A spacious enough area for the top 15 athletes and one accompanying team chaperone - space for a total of 30 people
- Comfortable seating for all 30 people in a secured area, separated from the public, media and VIP's
- Proper heat to ensure that in even the coldest conditions athletes and team chaperones stay warm while waiting
- Catering – please ensure that warm and cold drinks are available. We encourage OCs to provide some appetizers for the occasion. This can be used as an opportunity to showcase your region's local culinary specialties
- The OC may organise an autograph area, the details need to be discussed first with the FIS Technical Operations Manager

AWARD CEREMONY

If an Official Awards Ceremony takes place in the evening, we would ask that you to provide the following:

- Ensure that the stage is set up with a podium (like at the Winners Presentation in the Finish Area for the place 2,1,3) for the athletes to be presented on
- Ensure that each athlete invited up on stage for the awards gets an award and not just a handshake!
- Ensure that the National Anthem of the winning nation is played.
- Meeting point for the athletes should be the same as for the public bib draw/pick, with the athletes showing up approx. 10 minutes before the ceremony begins.
