To all National Ski Associations,
members of the International
Ski Federation, TD, TDA and
Ski Jumping Judges

Dear Ski Friends!

On behalf of Lillehammer Skifestival and the Norwegian Ski Association, we are pleased to invite you to "The New" Lyngådsbakken Ski Jumping Arena.

The final stages of the construction work to modernise the large jumping hill (HS 138) are now completed.

The construction of the porcelain tracks and the laying of the artificial plastic surface at the bottom of the hill are ready for the FIS Continental Cup Ski Jumping event in Lillehammer 18 – 19 August 2007.

Welcome to Lillehammer and a newly modernised and fantastic ski jumping arena!
