Michel LOSSERAND

President of the Organizing Committee of the FIS Nordic World
Ski Championships Junior & U23 - Praz de Lys 2009

Le Ski Club Nordique Praz de Lys Sommand est honoré d'avoir été choisi pour accueillir les prochains Championnats du Monde FIS de Ski Nordique Junior et moins de 23 ans.

Nous nous réjouissons à l'idée de recevoir les meilleurs jeunes compétiteurs mondiaux dans la station de Praz de Lys - Sommand.

Toute la vallée du Giffre et de l'Arve s'est d'emblée mobilisée et a rassemblé ses compétences et ses atouts pour mettre en place ce qui sera l'un des événements sportifs majeurs de l'année en cours.

Le Ski Club Nordique et la station de Praz de Lys/ Sommand ont recueilli les soutiens de la fédération française de ski, du comité régional de ski du Mont-Blanc, de la région Rhône-Alpes, du conseil général de la Haute-Savoie, du syndicat intercommunal Taninges-Mieussy et des maires des communes de Mieussy et de Taninges.

Du 29 janvier au 6 février 2009, les représentants des meilleures nations mondiales auront l'occasion d'en découdre sur le magnifique plateau du Praz de Lys avec le Mont Blanc pour principal témoins.

Le Comité d'Organisation, composé exclusivement de bénévoles, passionnés par le sport en général et le Ski de Fond en particulier, sera heureux de vous accueillir comme il se doit pour 9 jours de plaisirs sportifs sur le plus beau domaine nordique de Haute Savoie.

The Praz de Lys Sommand Nordic Ski Club is honoured to have been chosen to host the next FIS Nordic Junior & U23 World Championships World Championships Cross-Country.

We are looking forward to welcoming the world best young competitors to the Praz de Lys Sommand resort.

The Giffre and Arve valley has immediately mobilized and gathered its expertise and strengths to set up what will be one of the major sporting events of the current year.

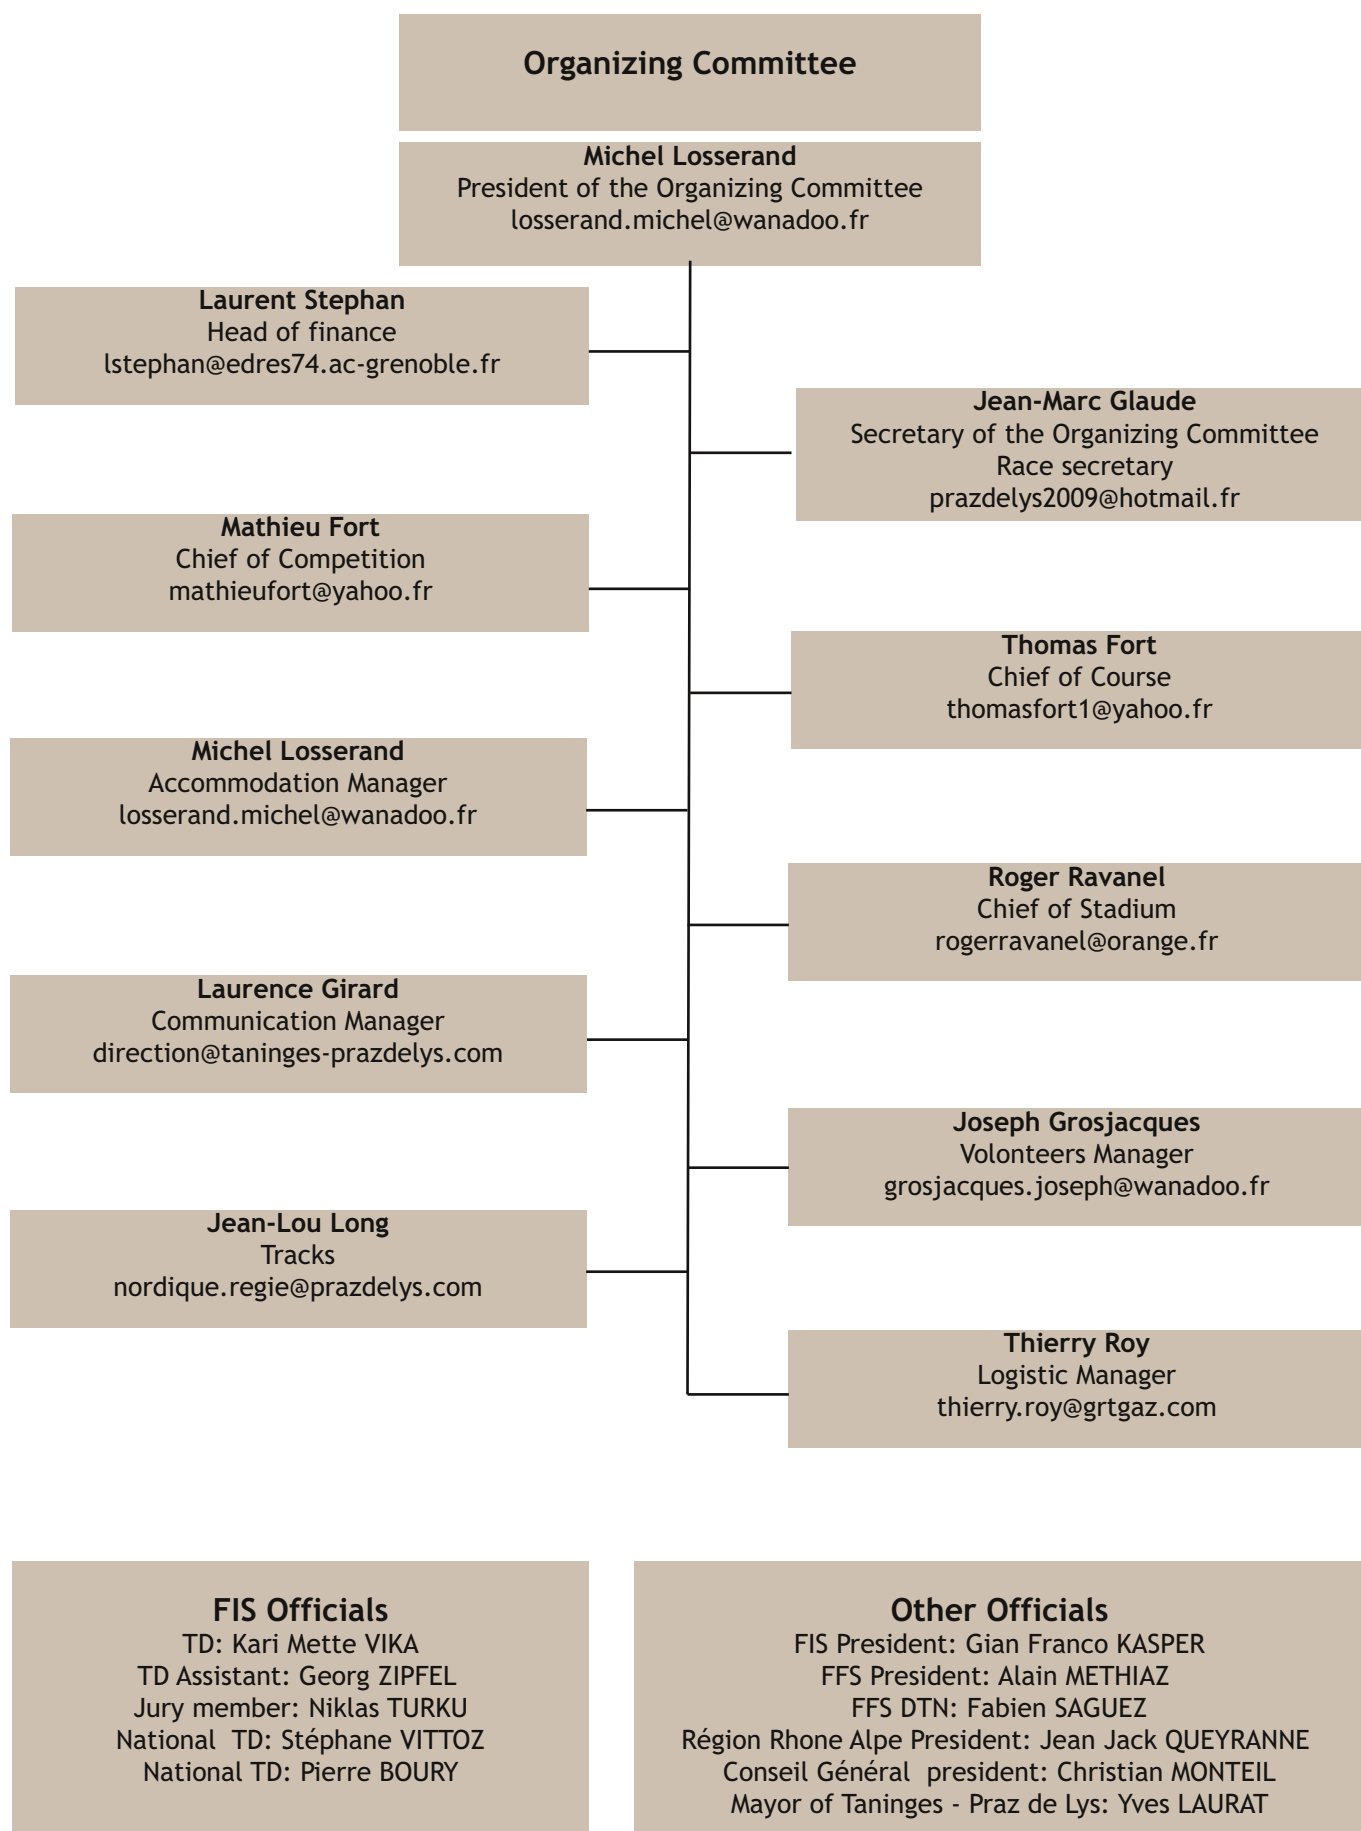

The Praz de Lys Sommand Nordic Ski Club received the full support of the French Ski Federation, the Mont Blanc regional ski committee, the "Conseil Général de Haute Savoie" (General Council of Haute Savoie, the Rhône-Alpes region, the Praz de Lys Sommand resort and the mayors of Mieussy and Taninges).

From January 29th until February 6th 2009, representatives of the world's best nations in x-country skiing will compete on the wonderful plateau of Praz de Lys with the Mont Blanc as main witness.

The organizing committee, composed entirely of volunteers, passionately fond of sport in general and x-country skiing in particular, will be happy to welcome you in the best conditions, for nine days of sport pleasures on the most beautiful Nordic resort of Haute Savoie.

ORGANISATION

A une altitude de 1500m à 2000m, faisant face au Mont Blanc, Praz de Lys - Sommand allie charme, tradition et cadre préservé. Grâce à son exposition ensoleillée, le domaine vous permettra de skier au soleil toute la journée en admirant les Massifs du Mont Blanc, des Aravis, du Chablais et du Jura.

Sitôt que vous vous enfoncerez dans ses forêts enneigées, le domaine se transformera en un décor féerique, idéal pour le ski nordique. Il offre en effet 60 km de pistes superbement tracées et balisées, entièrement damées en skating et en alternatif. Ici, tout est magique, ludique et tonique. La station de Praz de Lys - Sommand est sans conteste l'un des meilleurs domaines nordiques de Haute-Savoie (label Haute-Savoie Nordic et Nordique France).

La station offre deux villages composés essentiellement de chalets et d'anciennes fermes d'alpage dispersés dans les différents hameaux harmonieusement répartis et aisément accessibles. Rare sont les hébergements qui ne permettent pas un départ et un retour « skis aux pieds » autant pour les amateurs de ski nordique que pour les adeptes du ski alpin.

Mais Praz de Lys - Sommand n'est pas seulement une station de sport d'hiver, c'est aussi un cadre fabuleux à découvrir en toutes saisons. C'est d'ailleurs à partir de Sommand qu'ont eu lieu les premiers vols de parapente en juillet 1978. Les sommets qui encerclent les 2 plateaux sont un terrain de jeu idéal autant pour les sportifs désireux de parfaire leur condition physique que pour les amateurs de petites randonnées aux panoramas à couper le souffle et les amoureux de la nature qui sauront apprécier la beauté et l'accessibilité de la faune et de la flore alpine.

Nous sommes persuadé que, comme ceux qui vous ont précédés en ces lieux, vous garderez de Praz de Lys - Sommand des souvenirs inoubliables.

Facing the Mont Blanc at an altitude of 1500m and up to 2000m, Praz de Lys - Sommand is mixing charm, tradition and preserved landscapes. Thanks to its exceptional exposition, the resort will allow you to ski all day long in the sun admiring the Mont Blanc, the Aravis, the Chablais and the Jura mountains.

As soon as you are going deeper in the snowy forests the resort will reveal a fairy tale scenery perfect for nordic skiing. It offers 60 km of tracks perfectly maintained for both classic and free techniques. Here everything is magical. The Praz de Lys Sommand resort is without any possible doubt one of the very best nordic resort in Haute-Savoie.

Far from being a "ski factory", the resort offers 2 villages composed mainly of chalets and old farms spread in the different hamlets easily accessible. Very rare are the buildings which are not ski-in, ski-out for both nordic or alpine skiers.

But Praz de Lys Sommand is not only a winter resort, it's also a fabulous place to be discovered at all seasons. In 1978, 3 crazy local guys took off from Sommand with their parachutes and invented what became later paragliding. The mountains around the 2 high plateaux are perfect playgrounds for confirmed sportsmen and women in search of their best physical condition as well as amateurs of small treks with breathtaking scenery and nature lovers who will be able to appreciate the beauty of the alpine fauna and flora.

We are convinced that, as all the people who visited these villages, you will also keep an unforgettable memory of Praz de Lys Sommand.
