INVITATION

FIS ROLLERSKI WORLD CUP 2009

IN AURE AND KRISTIANSUND – NORWAY

WELCOME TO AURE AND KRISTIANSUND FOR THE FIRST FIS ROLLERSKI WORLD CUP IN THE HISTORY IN NORWAY.

„Welcome to Norway“

A new time has come - finally, Norway has arrived on the scene to arrange FIS World Cup for rollerski, and we expect a magnificent arrangement. For many years popular rollerskishows have been organized around in Norway in the summer months, and now we're lucky to find a Norwegian town even on FIS' WC program.

I have had the opportunity to follow Norwegian rollerskiers to the last three years international European and World Championships in Yaroslavl Russia, Oroslavje Croatia and Turin Italy. It has been a great experience, meeting the European Rollerski Family, feeling the good atmosphere and observing the fair fighting spirit among the strong athletes.

This time it's – on behalf of the organizer in Aure/Kristiansund – for me a great pleasure to welcome you all to Norway and the first World Cup event of rollerski in our country. It will take place in the

beautiful county „Møre og Romsdal“ in the west of Norway,

surrounded of fiords and mountains.

Møre og Romsdal within Norway

We are aware that there might be some challenges for your team to come to Norway. Norway Events (the organizer) will do their best to meet this and I want to inform you about following:

- Overnight: The overnight fee will be less than 5 € per pers if your team prefers to stay in dormitory /class room.
- Good discount if staying in hotel.
- Shuttle buses will be free for transporting during the event.

It's summertime in Kristiansund and Aure during the competition; 10 000 spectators are expected, hundreds of top athletes with rollerskis, media, including at least one TV company that, among other things, will send television pictures from the helicopter out to the thousands of homes..... This is undoubtedly a catchy arrangement where we can expect a high level of show-factor.

I know that I will meet the National Rollerski Teams from Sweden, Russia and Italy in Aure and Kristiansund. But it will be really nice to meet you friends from Turkey, Netherland, Ukraine, Germany, France, Latvia, Czech

Republic, Greece, Croatia and Poland. And what about South Africa, Switzerland, Bosnia, Israel, Finland, Denmark, Hungary, Slovenia, Great Britain and Macedonia?

Don't miss this opportunity to meet and compete against Cross Country Stars from several countries.

Will the cross country skiing stars be the strongest athletes even in the summer, or will the rollerskiers show their power?

I wish all competitors and leaders welcome to Norway this summer and above I wish you a lot of fun with the rollerski sport!
