ACCOMMODATIONS

Accommodation for athletes and officials is provided in the hotels located on the Ski area. All check-ins and rooms registration will take place at the hotels. The payments for accommodation and full pension are based on the FIS Rule.

The Organizing Committee has made preliminary reservations for all the Ski Federations also for the additional nights (starting from Monday 8th). However, we need to know how many rooms the team needs and how long you are planning to stay at Levi. (See the Room List Form attached.)

The price for the extra night is 85 € / person in double room with full board. The teams are advised to accommodate the team members in double rooms because of the amount of rooms available. If team needs single rooms the price is 130 € / room with full board for the extra nights.

All the payments have to be done directly to the payment office in race office – including also the EXTRA nights.

As checking out the teams have to use the voucher of paid accommodation to the hotel front desk in order to avoid any misunderstandings.

The Ladies' awards is scheduled together with the men's public draw – top three skiers are advised to attend.

TRANSPORTATION

FIS Travel is providing a charter connection to Kittilä from Zürich. All teams are advised to fly to Kittilä airport in order to use the free world cup airport shuttle.

Since the teams are provided a courtesy shuttle from the airport, they are asked to inform their arrival time in detail.

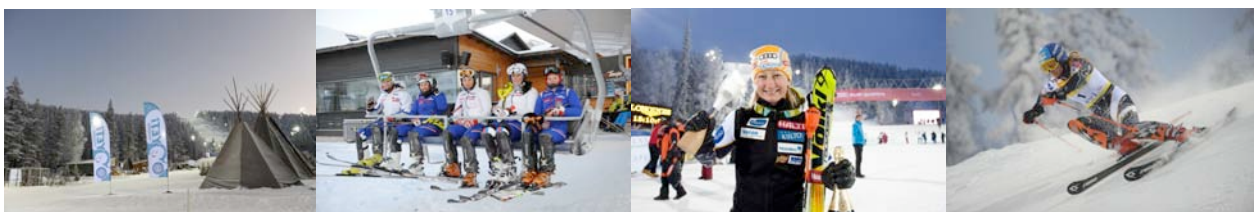

There is no need for transportation to the racecourse, since it's accessible by skis. For the officials there is a shuttle bus if needed.

The teams have availability to rent skis and boots for free from the Levi ski resort in order to avoid overweight - please send a list of names of those who need skis or boots to natalia.lahtela@skisport.fi

How to find the way

If your team arrives by car, here are some helpful directions how to find the way.

When crossing the state boarder from Sweden drive towards Tornio (road E4). The next bigger town is Rovaniemi (road 79) 123 km from Tornio. Then follow the signs to Kittilä (road 79), which is situated 150 km from Rovaniemi. The ski resort Levi (road 79) lies 18 km north from Kittilä.

USAGE OF RADIO EQUIPMENT IN FINLAND

Every user of a radio transmitter (e.g. VHF and UHF radiophones) shall have a license granted by the Finnish Communications Regulatory Authority (FICORA). PMR 446, LA, PR 27 or CB-telephones are not concerned, because their use is exempted from licensing provided that they are operating on the frequencies and with output powers according to the FICORA Regulation 15.

FICORA

prescribes the frequencies to be used in the events and/or at the locations as specified in the license. Using other frequencies than mentioned in the license is prohibited.

LICENCE

The license is granted on the basis of an application. An application form is available on the www-site of FICORA: http://www.ficora.fi/attachments/englanti_lomakkeet/1156489299276/Files/CurrentFile/SHORTUSE.pdf. An application for a license can be sent by post, by fax (+358 9 6966 410) or by e-mail at radiotaajuudet@ficora.fi.

PERIOD OF VALIDITY

The validity period of the license is determined based on the information given in the application, however, the maximum period is 12 months. The license can then be granted to cover different events for the same equipment. Locations, events and time periods shall be indicated in the application.

FREQUENCY FEE

Information concerning license fees is available at <http://www.ficora.fi/en/index/luvat/taajuusmaksut.html>
