

WELCOME to Bormio

“On behalf of the Organizing Committee we want to welcome all nations, athletes and team officials, who will be protagonists of AUDI FIS Ski World Cup Downhill race on the 29th December 2011 in Bormio. We would like to take this opportunity to thank the International Ski Federation FIS and the Italian Ski Federation F.I.S.I., rewarding the work of the Organizing Committee by assigning the race once again to the Municipality of Bormio.

We are proud to host the famous Downhill on the Stelvio slope for the 19th time, and we feel part of the very traditional races of the FIS Ski World Cup tournament since 1984. With a new major in town we have taken the chance to start a long-term project to level up with other famous events, and we are looking positively and very eager into the future.

We want to add special thanks to the title-sponsor AUDI, to all other international and national sponsors, as well as to all partners for their important contribution.

Wishing all teams in the meantime luck for the upcoming competitions, we are looking forward welcoming you to Bormio at the end of December.”
