## WELCOME

On behalf of the FIS Cross-Country Committee, I am pleased to welcome you to the sixth edition of the Viessmann FIS Tour de Ski performance by Craft Sportswear.

FIS Tour de Ski will be the season highlight – all athletes have it in their focus and looking forward to tackle the challenge of the Tour 2011/12. It came a prestige to win the Tour – you need to have it in your list of top results like Olympic – and World Championships titles – this development within six year's is impressive.

This season the racers will compete for the first time over nine races in two countries. It will be a challenge for all but I am sure it will be a great challenge!

Every year we see the development and adaptations of the teams to make the Tour as “easy” as possible for their athletes – we have since several years now waxing trucks, mobiles homes and last year for the first time we saw the “Tour”- Bus of the Canadian team, I am already exciting about what we will see this year.

I wish you all a warm welcome, much success on the Tour and look forward to seeing you on the top of Alpe Cermis!
