International Masters Cup

Megève

France

10th, 11th and 12th February 2012

Dear Masters,

I extend to you a very warm welcome to our 24th International British Kandahar Masters in Megève!

It is with deep regret that I will not be with you this season as I will be on a 'World Tour'. I am delighted that I will be ably represented by Andrew Morgan. Many of you older competitor will well remember Andrew who was very much involved in our Masters Races over many years. I very much look forward to meeting you all again in 2013 when we will be celebrating the 25th running of the Kandahar British Masters Races.

Once again our Programme includes three races including a Super G. This format has been extremely well received by you all and we very much look forward to bringing you what you want once again.

The wonderful, snow sure, slopes of Cote 2000 and the Club des Sports will again provide excellent Races for you all and I'm certain that Megève will once again be excellent hosts to us all.

Wishing you successful races, good fun, excellent snow and good weather.

Chloé Hodler
