Radio Stations

The Czech Republic allows free communication channels for PMR devices on all channels the PMR can tune.

It is permitted to use free channels on analogue professional devices on reserved frequencies with the following parameters:

frequency	Max. output	Bandwidth
172,650; 172,950; 172,975 MHz	5W e.r.p.	10kHz
172,725; 173,050 MHz	1W e.r.p.	10kHz
448,490; 448,570; 448,610 MHz	5W e.r.p.	14kHz
449,770; 449,810 MHz	1W e.r.p.	14kHz

The above mentioned free channels have no jamming protection from other users or other services operating on radio frequencies.

The Organising Committee offers reserved paid channels that can be used for communication. These must be booked with the OC. The fee for using a channel of 10 and 14 kHz bandwidth respectively during the competitions is 30 €. These reserved channels will not be jammed by other users upholding the laws of the Czech Republic.

If you would like to reserve paid channel, **inform Liberec Organising Committee to 10th January 2012.**
