Air Travel

We recommend that you fly into Queenstown. Most international flights will arrive in Auckland. Flights from Auckland to Queenstown are available from:

Air New Zealand <http://www.airnewzealand.co.nz>

Jet Star <http://www.jetstar.com>

Car/Van Transport

We strongly recommend for teams to organise their own transport to ensure full control over movement to and from the resort. JUCY rentals are New Zealand's favorite and most trusted rental company.

Pick Up Locations: Queenstown (recommended), Christchurch or Dunedin.

Accommodation

We strongly recommend the teams identify and book their own accommodation. There is a variety of travel, transport and accommodation options in Wanaka. Please go to www.lakewanaka.co.nz for information about Wanaka and accommodation options.

Official Accommodation Option

Visas and Liability

Visitors from certain countries must have a visitor visa to enter New Zealand. New Zealand has a special policy for athletes, coaches, administrators, officials and support staff visiting the country to participate in sporting events. Please check on: www.immigration.govt.nz/migrant/stream/visit/visitors/quickcheck.htm to find out if visitors from your country require a visitor visa to enter New Zealand. Application forms for visitor visas are available on www.immigration.govt.nz or from New Zealand and Australian Consulates, Embassies or High commissions. If you require a visa invitation from Snow Sports NZ, please contact Claire@snowsports.co.nz.

Liability

All athletes, officials and members of the National Associations who attend and participate in the event shall do so at their own risk. Snow Sports NZ, sponsors and suppliers, their agents, employees and volunteers shall not be responsible for any losses or injuries incurred or suffered by the athletes, official or other person in conjunction with the organising or staging of the event. If you are injured in New Zealand (including whilst competing in a ski/ snowboard event), you may need the assistance of the Accident Compensation Corporation (ACC), New Zealand's

accident compensation scheme. ACC helps pay for your care – and that means paying towards the cost of your treatment and helping your recovery while you remain in New Zealand. ACC will not cover any medical or related costs arising from the accident after you leave New Zealand. You will accordingly still need to arrange your own travel and medical insurance. New Zealand's medical facilities are not free to visitors except as a result of an accident but even in the case of an accident, surcharges in private facilities will apply.
