Dear Freestyle Ski Friends,

On behalf of the Organizing Committee of 2013 FIS Freestyle Ski WORLD CUP in Inawashiro Fukushima it is our pleasure to invite your national team to participate in our competition. As you know, the great earthquake hit Japan on March 11, 2011. In addition to the damage of the earthquake and tsunami, Fukushima has been suffered from the influence of a nuclear power plant disaster. Although the number of tourists to Fukushima has decreased sharply, whole country of Fukushima is not necessarily dangerous in fact. We show below the data of the dose of radiation which the Government of Japan announces so that you can compare it with each country.

Aizu area where Inawashiro belongs is the dose of radiation 0.09 μ Sv/h, and this is the same number as New York, London, Singapore, and Hong Kong. We hope for you to understand this fact, and to participate in a competition without anxiety. People of Fukushima heartily welcome you.

This year Inawashiro will host Moguls on Saturday, February 23, 2013 and Dual Moguls on Sunday, February 24 at Listel Ski Fantasia. The Organizing Committee will host the event in accordance with the International Ski Competition Rules of the FIS.

The convention has hung up on the theme of the "festival". You could enjoy fireworks, dances, and the traditional foods of Fukushima besides the competition. We hope you could send "energy of Fukushima" to the world together with us.

We are looking forward to welcoming you back to Japan in 2013 winter.

Best Regards

Takayoshi Watanabe 渡部孝美
 Chairman

Ski Association of Fukushima
