## INVITATION

### WELCOME FROM THE PRESIDENT OF THE ORGANISING COMMITTEE – TIZIANO MELLARINI

Thanks to this World Championships, Val di Fiemme nominates itself the Land of Nordic Skiing, where whoever does love this discipline can find avant-guard tracks and hills and facilities, wisely set in the frame of the Dolomites, a recent Unesco's World Heritage.

Here, the cross country skiing discipline finds its highest expression. Nature is the main element and the eco-sustainability represents a key value. Moreover, the numerous accommodation facilities respect and show it through their heartiness, quality and welcoming atmosphere.

Val di Fiemme is a mini-world and its self-management and care to the environment are its flag. This root tradition comes from Magnifica Comunità di Fiemme, a more than 900-year-old institution that manages and safeguards the natural resources of this land.

For the valley and Trentino, this world event has also given us a huge motivation to take to the field our high organization and logistics that live up to an international and prestigious event.

The Organizing Committee and I welcome all the Federations' members in charge involved in this sport party, all the athletes, the technical staff and the friends who love this sport that succeeds in emphasizing the most authentic aspects of a winter-dressed territory.

I hope that during your stay in Val di Fiemme you can get many competitive satisfactions, personal enrichment and new friendship, with the aim to enforce the universal values of sport. I hope anyone of you can take his home a piece of Trentino, to pleasantly remember this land when this sport adventure is over.

### SALUTO DA PARTE DEL PRESIDENTE DEL COMITATO ORGANIZZATORE – TIZIANO MELLARINI

Con questo terzo Campionato del Mondo la Val di Fiemme si consacra terra dello sci nordico, in cui troviamo piste e infrastrutture all'avanguardia per gli amanti di questa disciplina, incastonate nello scenario delle Dolomiti patrimonio naturale dell'Umanità Unesco.

Qui lo sci di fondo trova la sua terra di elezione in un contesto dove l'ambiente è al centro e dove l'eco-sostenibilità è un valore che si ritrova anche nelle tante strutture ricettive che creano quel sistema di accoglienza improntato su ospitalità, cordialità e qualità.

La Val di Fiemme è un micro mondo che ha fatto dell'autogoverno e dell'attenzione al patrimonio ambientale la propria bandiera. Una tradizione radicata nei secoli che trova il proprio fondamento nella Magnifica Comunità di Fiemme, istituzione che da oltre 900 anni è custode delle risorse ambientali di questa terra.

Per questa valle e per l'intero Trentino, l'evento iridato costituisce anche una forte motivazione per mettere in campo un livello organizzativo e una logistica all'altezza del prestigio internazionale di questa manifestazione.

A nome mio e del Comitato Organizzatore porgo il più cordiale benvenuto a tutti i responsabili delle Federazioni impegnate in questa festa di sport, agli atleti, ai tecnici e a tutti gli amici appassionati di questa splendida disciplina che sottolinea gli aspetti più autentici di un territorio nel suo abito invernale.

L'auspicio è che il soggiorno in Val di Fiemme possa rappresentare per tutti un momento di soddisfazione agonistica, di arricchimento personale e di amicizia all'insegna dei valori universali dello sport e che ciascuno possa con questa avventura portare con sé un pezzo di Trentino e un'esperienza da ricordare con piacere.

## **WELCOME FROM THE PRESIDENT OF THE ITALIAN WINTER SPORTS FEDERATION FLAVIO RODA**

I have the big honour of inviting you officially - with this greetings of mine - to the Nordic World Ski Championships that are taking place in Val di Fiemme, for the third time in history. The whole world will have the chance of watching again the extraordinary scenarios of this valley of Trentino. In this occasion, more than 1000 athletes and members of national teams will have a close look to one of the Italian quintessential organizations of high-level sport events.

The Italian Winter Sports Federation - and in particular the cross country, ski jumping and Nordic Combined teams - have prepared themselves meticulously and in a perfect synergy with the structures that are going to host this World Championships' edition, in order to obtain the best results ever.

For the Italian sport world, 2013 World Championships represent the most important winter race event: the Italian Winter Sports Federation clearly knows that and has already demonstrated its awareness by sharing the efforts side by side with the local institutions and the Organizing Committee.

I want to thank all the authorities, organizers, volunteers of Trentino and Val di Fiemme, because I am sure that - once again - the Italian World Championships will be taken as a model all over the world.

I also want to wish a good luck to the athletes, men and ladies, from the 64 countries that are taking part in the races in order to let them and us live days of great show and unforgettable emotions.

## **SALUTO DA PARTE DEL PRESIDENTE DELLA FEDERAZIONE ITALIANA SPORT INVERNALI FLAVIO RODA**

E' un grande onore per me aprire, con queste parole di saluto, la pubblicazione ufficiale dei Campionati del Mondo di Sci Nordico, che per la terza volta nella storia approdano in Val di Fiemme. Gli occhi del mondo avranno ancora una volta l'opportunità di apprezzare gli splendidi scenari di questa vallata del Trentino e gli oltre 1000 atleti e tecnici di tutte le nazionali potranno conoscere da vicino una delle eccellenze italiane in fatto di organizzazione di eventi sportivi di alto livello.

La Federazione Italiana Sport Invernali, ed in particolare le squadre di fondo, salto e combinata nordica, si sono preparate scrupolosamente, ed in perfetta sinergia con le strutture che ospitano questa edizione dei Campionati del Mondo, per ottenere il massimo risultato possibile.

I Campionati del Mondo Trentino Fiemme 2013, rappresentano per l'Italia degli sport invernali l'avvenimento agonistico più importante della stagione sul territorio nazionale: la Fisi ne ha la piena consapevolezza e lo ha dimostrato lavorando a stretto contatto con le Istituzioni locali e con il Comitato organizzatore.

Desidero ringraziare autorità, organizzatori e volontari del Trentino e della Val di Fiemme perché sono certo che, ancora una volta, il Mondiale italiano sarà portato ad esempio nel mondo e voglio rivolgere il mio "in bocca al lupo" alle atlete e agli atleti di tutti i 64 Paesi partecipanti, perché vivano e ci facciano vivere giornate di grande spettacolo sportivo e di emozioni indimenticabili.
