VISA INFORMATION (full info sent earlier)

All foreign nationals are required to have entry visas to travel to the Russian Federation. Russian entry visas can be obtained at local Russian Embassy or Consulate, official letter of invitation issued by the Federal Migration Service Department or specially authorized travel agencies is required.

Requirements for Foreign Citizens To Enter Russia

1. Passport must be Valid 6 months Beyond Intended Stay
2. Tickets and Documents for Return or Onward Travel
3. Russian Visa is Required
4. Vaccinations - None Required

Russian visas issued by the consulates in Europe now have a five day "waiting period" on entering Russia, i.e. the person cannot travel to Russia for at least 5 days after the visa is issued. This rule has been applied sporadically and it seems to largely depend on a consulate. If your travel plans are urgent, we strongly recommend you to contact the Russian consulate you plan to collect your visa at and make sure that your visa will be available in time.

When applying for a visa the following documents must always be provided:

1. Invitation (obtained through the Foreign Migration Service (YFMS) or the Ministry of Foreign Affairs of the Russian Federation (MFA RF) original or by telex)
2. Completed Consular Questionnaire
3. Photo 3 x 4 cm, attached to the Consular Questionnaire
4. Passport (valid for at least 6 months after the visa expiry date)

The following documents may also be required:

1. Medical insurance
2. Residence permit or work permit for the country in which the foreign national will be applying for a visa
3. Test for HIV (certificate)
4. Proof of sufficient funds to cover the stay in Russia
5. Other

Information about the fee and conditions for applying for a visa at the Consulates of the Russian Federation can be obtained at the individual Consulates. The consular fee depends on the type of visa required, the conditions under which it is applied for and the citizenship of the applicant.
