**NOTE**

A bold line in the "Gate" column indicates a change in gate assignment at that point.

**Total Point score calculation:**

60 points are awarded for jumping the K-point distance. 1.8 points/metre are added to (or subtracted from) the competitor's total points for the jump's difference in length from the K point. If there are gate and/or tangential wind changes during the round, the gate and/or wind compensation points are added to (or subtracted from) the total points.
