WELCOME

WELCOME FROM THE PRESIDENT OF THE ORGANISING COMMITTEE - TIZIANO MELLARINI

With the organization of the FIS Nordic World Ski Championships 2013, Val di Fiemme has proved itself once again as land of Nordic disciplines, able to express at the same time a high organizing level and a qualified hospitality system.

Cross country ski is very popular here, in a valley where the environment is the motive force of the local economy, and where eco-sustainability is a value present also in the various accommodation facilities; it is an essential part of a hospitality system inspired by courtesy and quality.

Val di Fiemme is a mountain land where self-government and attention for the environmental heritage are very important aspects of the local community. A tradition which is deep rooted in the centuries, and which finds its foundation in "Magnifica Comunità di Fiemme", an institution which has been guardian of the environmental resources of this land for 900 years.

In this beautiful corner of Trentino it is possible to find many well-advanced courses and infrastructures dedicated to all those people who like cross country ski; all our facilities are surrounded by the unique scenery of the Dolomites, site which is included in the UNESCO World Heritage List.

Now Val di Fiemme is going to organize another great world event, dedicated to the young and promising athletes of Nordic ski, coming from all over the world. FIS Nordic Junior & U23 World Ski Championships represent a new challenge and a positive incentive to offer once again an organizing and logistical level which can keep up with the prestige of this event.

On behalf of the Organizing Committee I want to warmly welcome all the representatives of the Federations present at this sport celebration, all the athletes and their families, the technicians and all the fans of this beautiful discipline.

I wish that your stay in Val di Fiemme allows you to spend some days rich in sport satisfaction, personal improvement and friendship, in the spirit of the universal sport values; I also hope that all of you can bring home a little piece of Trentino, together with a pleasant experience.

SALUTO DA PARTE DEL PRESIDENTE DEL COMITATO ORGANIZZATORE - TIZIANO MELLARINI

La Val di Fiemme, con i Mondiali del 2013, si è confermata ancora una volta terra dello sci nordico, riuscendo ad esprimere al contempo un alto livello organizzativo e un collaudato sistema dell'ospitalità. Qui lo sci di fondo è di casa, in un contesto dove l'ambiente è la forza motore dell'economia locale e dove l'ecosostenibilità è un valore che si ritrova anche nelle tante strutture ricettive, parte integrante di un sistema dell'accoglienza ispirato a cordialità e qualità.

La Valle di Fiemme è un territorio di montagna che ha fatto dell'autogoverno e dell'attenzione al patrimonio ambientale la propria bandiera. Una tradizione radicata nei secoli, che trova il proprio fondamento nella Magnifica Comunità di Fiemme, istituzione che da oltre 900 anni è custode delle risorse ambientali di questa terra.

In questo angolo del Trentino è possibile usufruire di piste e infrastrutture all'avanguardia dedicate agli amanti dello sci di fondo, inserite nello scenario unico delle Dolomiti patrimonio naturale dell'Umanità Unesco.

Ora la Val di Fiemme è chiamata ad accogliere un altro grande evento iridato, dedicato alle nuove leve dello sci nordico internazionale. I Mondiali Junior e Under 23 rappresentano una nuova sfida e un positivo stimolo per mettere in campo ancora una volta un livello organizzativo e una logistica all'altezza del prestigio di questa manifestazione.

A nome mio e del Comitato Organizzatore porgo dunque il più cordiale benvenuto a tutti i responsabili delle Federazioni impegnate in questa festa di sport, agli atleti e alle loro famiglie, ai tecnici e a tutti gli amici appassionati di questa splendida disciplina.

L'auspicio è che il soggiorno in Val di Fiemme possa rappresentare per tutti un momento di soddisfazione agonistica, di arricchimento personale e di amicizia all'insegna dei valori universali dello sport e che ciascuno possa con questa avventura portare con sé un pezzo di Trentino e un'esperienza da ricordare con piacere.

WELCOME FROM THE PRESIDENT OF THE ITALIAN WINTER SPORTS FEDERATION FLAVIO RODA

After the big success of the FIS Nordic World Ski Championships 2013, Val di Fiemme will host next season the Nordic Junior & U23 World Ski Championships, a high level international event, which represents the most important purpose in the whole season for the youngest athletes.

Everybody in the world will have once again the possibility to appreciate the wonderful sceneries of this valley in Trentino; moreover, the numerous athletes and technicians coming from all the participating nations will be able to know one of the greatest organizing committees of sport events that we have in Italy.

The Italian Ski Federation, and obviously all the young Italian athletes of cross country, ski jumping and nordic combined, prepared themselves very carefully, in perfect synergy with the structures that will host this edition of the FIS Nordic Junior & U23 World Ski Championships, in order to get the highest possible result.

For the Italian winter sport environment, this international sport event represents a further goal achieved by Val di Fiemme, and also by the Italian Ski Federation, which works in close contact with the local institutions and with the organizing committee.

I want to thank the authorities, the organizers and volunteers from Trentino and Val di Fiemme, because I am sure that, once again, the Nordic Junior & U23 World Ski Championships will be considered as an example all over the world. I also want to wish good luck to the athletes coming from all the participating nations, so that they can live and make us live some days of great sport performance.

SALUTO DA PARTE DEL PRESIDENTE DELLA FEDERAZIONE ITALIANA SPORT INVERNALI FLAVIO RODA

Dopo il grande successo dell'edizione 2013 dei Campionati del Mondo di Sci Nordico, la Val di Fiemme ospita quest'anno i Mondiali Juniores e Under 23, manifestazione di alto livello internazionale e massimo obiettivo stagionale per gli atleti più giovani.

Gli occhi del mondo avranno ancora una volta l'opportunità di apprezzare gli splendidi scenari di questa vallata del Trentino e i moltissimi atleti e tecnici di tutte le nazionali potranno conoscere da vicino una delle eccellenze italiane in fatto di organizzazione di eventi sportivi.

La Federazione Italiana Sport Invernali, ed in particolare i giovani del fondo, del salto e della combinata nordica, si sono preparati scrupolosamente, ed in perfetta sinergia con le strutture che ospitano questa edizione dei Mondiali Juniores e Under 23, per ottenere il massimo risultato possibile.

Per l'Italia degli sport invernali l'avvenimento agonistico internazionale rappresenta un ulteriore sigillo nell'ampio palmarès della Val di Fiemme e per la stessa F.I.S.I. che lavora a stretto contatto con le Istituzioni locali e con il Comitato organizzatore.

Desidero ringraziare autorità, organizzatori e volontari del Trentino e della Val di Fiemme perché sono certo che, ancora una volta, il Mondiale Juniores e Under 23 sarà portato ad esempio nel mondo, e voglio rivolgere il mio "in bocca al lupo" alle atlete e agli atleti di tutti i Paesi partecipanti, perché vivano e ci facciano vivere giornate di grande spettacolo sportivo.
