Progression rule: In the Quarterfinals the first three ranked competitors of each heat proceed to the next phase. The 4th, 5th and 6th are ranked based upon their seeding results. In the Semifinals the first three ranked competitors of each heat proceed to the Big Final. The 4th, 5th and 6th ranked competitors of each heat proceed to the Small Final. All remaining competitors are ranked according to the round in which they go out (e.g. quarterfinals). Within the round they are ranked first by their placing (4th, 5th, 6th) and then by their seeding results within that group (e.g. all 4th place finishers in the quarterfinal would be ranked according to their seeding results, ahead of all 5th places finishers; and all 5th place finishers would similarly be ranked ahead of all 6th place finishers).
