Special race information

On the Saturday parallel sprint, we do a 2-run normal qualification with all competitors seeded based on sprint FIS-points.

Then we take out **the 4 best junior ladies and the 4 best junior men**. They run junior championship semifinals and finals completely first.

Immediately after the juniors finish, we start with **the 8 best ladies and 16 best men** for the World Cup.

As for the sprint and classic, we run as a normal WorldCup. After the race we take out the juniors on a separate resultlist.
