INVITATION

FIS Nordic Junior World Ski Championships & U23 in Cross-Country World Ski Championship 1-8 Feb. 2015 Almaty, KAZ

Dear participants and guests!

Let me welcome you on behalf of the Organizing Committee of the **FIS Nordic Junior & U 23 World Ski Championships!**

It is a great honor for us to see an expression of confidence from FIS – to have the opportunity to host the **FIS Nordic Junior & U 23 World Ski Championships in Almaty.** .

The Government of Kazakhstan pays special attention to the training of new generations of athletes and promotion of a healthy lifestyle in the country. Our society understands the high importance of this work in a single heart, and actively supports the competitions in various sports, helping to create a world-class sports infrastructure throughout Kazakhstan - including in the city of Almaty, which is considered the "sports capital" of the country. Due to the fact that the city is located directly next to the mountains, the most popular sports here are skiing and snowboarding.

International competitions not only strengthen the image of host-countries, but also enhance the consolidation of the world - in fact, so many representatives of different countries visit such events. A competition among young athletes in this respect is most promising, because young people are the future of our planet.

FIS Nordic Junior & U 23 World Ski Championship is a large-scale and colorful sports festival - one of the many sports projects that contribute to the promotion of healthy lifestyle, raising a healthy generation, development of mass sports.

Dear young athletes, be are sure to always keep in mind the basic principles of participation in all the competitions: maintaining a single unified spirit, the inviolability of sporting traditions, honest and uncompromising struggle, based on good, friendly relations. I am confident, that this year's championship will be no exception and will identify the strongest and fittest athletes, who will receive the highest awards. And to those who do not manage to win this time, please do not be upset, because you are so young and your greatest achievements are yet to come!

I wish all the athletes to achieve all the possible achievements in sports, and wish all the fans and guests to enjoy bright emotions and excitement!

Thank you for your attention!
