The Beginning:

Together with 5 national teams we launched the idea to make a platform so that also young athletes can compete and train together and learn from the experienced athletes.

- *Increase the opportunity to diversify with FIS competitions*
- *This is an opportunity to reach, engage and encourage the next generation of young athletes*
- *Create new opportunities to encourage non-alpine nations in the development of skiers and competition.*
- *Show the federations in Europe that Mogul-skiing is an enthusiastic sport which stimulates many skiers. And although the federations doesn't help a bit. The teams succeed to organize good competitions and a growing number of athletes.*
