### READ HERE! Important information

We were lucky and happy to plan this extra race again, but..  
Our raceweek is scheduled again between two busy weekends. At  
Monday oct 12th 2015 the race- and trainingslope will be open for  
limited lanes, please send email if you want that extra day. Arrival  
is possible from Sunday 11th of october 2015, but you can probably  
only freeride on Sunday. Official training is on Monday, Tuesday  
and Wednesday. Departure is normally on Friday after the race  
because of the weekend afterwards, but check with Landgraaf for  
more possibilities. Late checkout is not possible, we try to keep the  
waxcabins at "late checkout", so you can keep luggage there.  
If you do NOT stay in the Snowworld Landgraaf Hotel, you have to  
pay 30 EUR per person per raceday or trainingday extra for the use  
of the special slope.

## **Program / Schedule**

Official arrival from Sunday October 11th, **Raceoffice open**

**MONDAY Oct 12th from 16.00 – 18.00** and check in all day.  
(Limited training possible)

Training day 1 Monday Oct 12th

Training day 2 Tuesday Oct 13th

Training day 3 Wednesday Oct 14th

FIS EC PSL Thursday Oct 15th

FIS EC PSL and departure Friday Oct 16th (early race as possible!)

Again, mainly only departure possible on Friday 10<sup>th</sup>, please contact hotel reservations for details if you want to stay longer. I will organize the race as early as possible for easy travelling afterwards! I have some suggestions, drive 5 hrs after the race to a F1 hotel halfway or drive all the way home with two drivers, which should be good with earlier finish.

### **Official training**

The training on Monday, Tuesday and Wednesday will be in different slots, I will divide the courses. We have enough room, so you can do 2 trainings a day. If you want to have a certain time and spot, please send an extra email to [pepijn@snowpepper.com](mailto:pepijn@snowpepper.com) and I will plan you when possible.

Trainingslots:

1.1) 07.00 - 09.00

1.2) 09.30 - 11.30

1.3) 12.00 - 14.00

2.1) 14.30 - 16.30

2.2) 17.00 - 19.00 (not on Wednesday because of racehill preparation)

2.3) 19.30 - 21.30 (not on Tuesday and Wednesday because of Snowpepper clubtraining and racehill preparation)

### **Entries and hotelreservations INTERNATIONAL TEAMS**

Please use the official entryform. You can [download it at the FIS site here](#) and it will be used for both HOTEL AND ENTRY. Fill out as complete as possible! (Try to give a short list extra of names together for a room when possible)

Please when possible make a preliminary entry and reservation before end of August to make sure you have accommodation!

**Hotel; reservations before September 29th.** The competition entry itself will be closed at Friday Oct 9th 2015 22.00.

But again, be earlier to have accomodation! If you don't know the exact team yet, just send some names and make sure you have enough rooms. I need the exact names Oct 9th.

Send the filled out form to:

### **Inschrijving en reservering NEDERLANDSE TEAMS**

Schrijf je in voor de WEDSTRIJDEN via jouw club of, zodat het wedstrijdsecretariaat niet elke keer een gewijzigde inschrijving hoeft te doen. Je kunt altijd contact opnemen met jouw club als je vragen daarover hebt, individuele deelnemers kunnen met Carla Redegeld bij de NskiV contact opnemen!

**Let op!** We hebben een speciale deal voor accommodatie. Als je daar geen gebruik van wenst te maken moet je per dag (zowel op trainings- als racedagen) 30 EUR extra betalen voor het pisteprogramma, ook als je een jaarkaart hebt. Gebruikmaking van het Snowworld Landgraaf Hotel voorkomt de hele hoge pistehuur, waardoor de wedstrijd anderszins niet door zou gaan!

Hotelreserveringen kunnen direct bij Snowworld zelf, schrijf je mail

aan [worldcup@snowworld.com](mailto:worldcup@snowworld.com) en CC [pepijn@snowpepper.com](mailto:pepijn@snowpepper.com) met als mailonderwerp **FIS EC Slalom 2015**. Reserveer wel als het kan met meerdere op een kamer, we hebben maar een beperkt aantal kamers en willen graag dat zoveel mogelijk atleten mee kunnen doen.

Eligible are alle competitors mentioned by the national racing association. The names of the competitors, the officials and their coaches have to be mentioned on the entry form. In addition we ask to obey the rules of the IWO.
