Patrick Jarvis, Executive Director of Canada Snowboard, is excited to once again see a World Class event grace the slopes of Tremblant:

We know that the organizers have worked hard to prepare the course and ensure that all the details have been taking care of to allow you to enjoy and compete at your highest level. Hoping that this event will be a memorable part of your competitive career as you strive to realize your personal snowboarding aspirations.

From all of us involved with competitive snowboarding in Canada, we wish each and every one of you the very best.

THE RESORT

Mont Tremblant Ski Resort (known as Tremblant) is a year-round resort in the Laurentian Mountains of Quebec, Canada, about 130km (80mi) northwest of Montreal. It is best known as a ski destination, but also features Lake Tremblant suitable for swimming and two golf courses in the summer months. The name of the Mountain, Mont Tremblant, was derived from the local Algonquin natives, who called in the “trembling mountain”.

The summit is at an elevation of 875 metres (2,871 ft), which makes it one of the tallest peaks in the Laurentians.

The mountain and resort are part of the Mont Tremblant National Park and are both located near the village of Mont Tremblant.
