

TELEMARK INVITATION WORLD CUP

21ST / 22ND JANUARY 2017

INVITATION

In the name of French Ski Federation and the Organizing Committee, WE PROUDLY INVITE YOU to the FIS Telemark World Cup from 21ST TO 22ND JANUARY in MÉRIBEL.

This document gathers all the useful informations you may need: places, dates, schedule, arrival...

GENERAL INFORMATION

Méribel, lying at the heart of les 3 Vallées, the largest ski area in the world, is an international ski resort renowned for its sportiness. It boasts an exceptional ski area and each year hosts major sporting events such as the Finals of the Alpine Ski World Cup in 2015.

But Méribel is more than that.....

With its forests of pine and larch, wooden chalets and sumptuous views, Méribel is a subtle blend of elegance, tradition and modernity.

Whether you love the great outdoors and mountains, are passionate about skiing or extreme sports, or simply searching for the ideal destination for a holiday with family, friends or partner, you are sure to find what you are looking for in Méribel!

Whatever your dreams, hopes or desires, Méribel makes every effort to meet them by offering a wealth of special moments and unique experiences to share with those you love.

TÉLÉMARK IN MÉRIBEL

In Méribel, Telemark is very much a family affair! The Lau brothers have long dominated the world scene and possess the largest collection of titles in the history of world telemark.

The three of them have brought to life this spectacular, athletic and elegant discipline, and have inspired others in Méribel and in les 3 Vallées to follow in their steps. So it is fitting that Méribel should host a stage of the World Cup Circuit. Two Telemark disciplines will be showcased in Méribel on 21 & 22 January 2017: Sprint and Dual.

Phil Lau, current men's leader of the discipline and youngest of the brothers, will be keen to win this event in front of his home public at this, his last competition on the international scene. And Méribel will be hosting his Jubilee during the event!

ORGANISATION

This event is organized under the auspices of the Telemark World Cup Organizing Committee.
