SPEED NATION TORONTO SKI CLUB

Speed Nation Toronto Ski Club is the second Parallel Slalom Stop of the Speed Nation Alpine Tour.

Speed Nation Toronto Ski Club brings together the best Alpine athletes in North America to compete in two Parallel Slalom events in two days.

Patrick Jarvis, Executive Director of Canada Snowboard, is excited to once again see a World Class event grace the slopes of Toronto Ski Club:

“On behalf of Canada Snowboard and our provincial partners, it is my distinct pleasure to extend a warm welcome to all of our Canadian and international athletes participating in this event.

We know that the organizers have worked hard to prepare the course and ensure that all the details have been taken care of to allow you to enjoy and compete at your highest level. Hoping that this event will be a memorable part of your competitive career as you strive to realize your personal snowboarding aspirations.

From all of us involved with competitive snowboarding in Canada, we wish each and every one of you the very best.

Have fun, go well and good luck!”

THE RESORT

[Toronto Ski Club's](#) (TSC) private clubhouse proudly sits at the base of the north end of Blue Mountain, Ontario's largest mountain village resort. TSC started in 1924 with a trailblazing membership that made it their mission to explore and ski as much downhill terrain that they could find, and who ultimately played a pivotal role in the establishment of skiing in Canada. Blue Mountain is nestled on the shores of Southern Georgian Bay and spans across the beautiful Niagara Escarpment. Blue Mountain offers 42 trails across 324 acres and offers complimentary shuttles across the resort to TSC.

The TSC clubhouse is just 10 minutes west of Collingwood and less than two hours from Toronto Pearson International Airport. The TSC Alpine NorAm will take place on Starting Gate with a vertical drop of 170m and a length of 565m.
