Registration/Entries

Entries will be accepted in accordance with the FIS quotas and rules. **All entries must be done using the FIS Entry form and be send to: christoph.ryser@swiss-ski.ch**

Deadline for the Final Team Entries is: 10.03.2018

- La participation des différentes nations est soumise aux règles officielles FIS. Tous les athlètes, officiels et membres des fédérations nationales participent sous leur propre responsabilité. Le comité d'organisation n'est pas responsable d'éventuels dommages ou blessures en relation avec les courses.
- **Important !**
Les teams seront en partie logés dans des appartements. De ce fait, il est impératif pour chaque team de respecter les délais d'inscription (nombre de personne et inscriptions nominatives). En cas de non-respect des délais d'inscription, le CO ne garantit plus les logements souhaités.
- **The Race will be on the World Cup course with heats by 6 competitors. This is a European Cup which should prepare the talents to the World Cup. The teams should be aware of that and not just fill the quotas with any unexperienced competitors. We expect that all team captains are aware of the level from their athletes and select wisely, who they inscribe to this competition.**
- Eligible are all competitors mentioned by the National Association with a signed FIS athlete declaration.
- All athletes, officials and other representatives of National Associations participate at their own risk. The organisers are not liable for any damage or injuries caused or sustained by athletes, officials or any other persons in connection with the event.
- **Important!**
