# Sanctioning, Ceremonies & Awards

## Sanctioning

The Big Air event is co-sanctioned at FIS World Cup and the World Snowboard Federation equivalent of the WST International level (more details to come). Athletes must have a valid FIS license to compete. WST/WSF profiles will be used by our event commentators and MCs so we recommend that all athletes update them with sponsor and bio information. Visit [www.worldsnowboardtour.com](http://www.worldsnowboardtour.com)

## World Snowboard Federation

The World Snowboard Federation (formerly the World Snowboard Tour) will sanction the event to the equivalent of the WST International level. More details will be released regarding specific sanctioning in the coming weeks.

## Ceremonies

The Opening Ceremony for both the FIS Junior Freestyle Ski and Snowboard World Championships 2018 and the Audi quattro Winter Games NZ will be held together in downtown Wanaka on the 24th of August. The proceedings will start with a parade of nations through the main streets of Wanaka and finish at Pembroke Park where the official ceremony will be held.

Once the formalities are over the party really starts. We are bringing a truck load of snow down to the Wanaka Skate Park and running a skate and snow rail jam where some local athletes will be throwing down and showcasing their skills. There will be several tasty food trucks, P Digsss will have the tunes pumping and to cap the evening off local Wanaka act Civilian Sol will be performing.

The Closing Ceremony will be held up at Cardrona Alpine Resort at the conclusion of the Big Air World Cup on the 8th of September.

## Awards

Flower and medal ceremonies will take place on mountain at the end of each competition final. Podium placing athletes are obligated to attend these ceremonies and should be available for media interviews and athlete signings immediately after the awards.

The total prize purse for the Big Air is CHF 50,000. The prize money breakdown is per FIS Rules and payments will be made electronically.

## Travel & Logistics

### Visas

New Zealand has a special policy for athletes, coaches, administrators, officials and support staff visiting the country to participate in sporting events. Please check with NZ Immigration to find out if visitors from your country require a visitor visa to enter New Zealand. Information and application forms for visitor visas are available on [www.immigration.govt.nz](http://www.immigration.govt.nz) or from New Zealand and Australian Consulates, Embassies or High commissions.

### Liability & Insurance

All athletes, officials and members of the National Associations who attend and participate in the event shall do so at their own risk. Winter Games NZ, sponsors and suppliers, their agents, employees and volunteers shall not be responsible for any losses or injuries incurred or suffered by the athletes, official or other person in conjunction with the organising or staging of the event. Public Liability Insurance (CHF) 3 million, for the period of the event, is in place.

If you are injured in New Zealand (including whilst competing in a competition), you may need the assistance of the Accident Compensation Corporation (ACC), New Zealand's accident compensation scheme. ACC helps pay for your care – and that means paying towards the cost of your treatment and helping your recovery while you remain in New Zealand. ACC will not cover any medical or related costs arising from the accident after you leave New Zealand. You will accordingly still need to arrange your own travel and medical insurance. New Zealand's medical facilities are not free to visitors except as a result of an accident but even in the case of an accident, surcharges in private facilities will apply.

### Air travel

We recommend that you book your flights as early as possible and fly into Queenstown or Christchurch depending on your travel plans. Air New Zealand, Jetstar, Qantas and Virgin Australia are the only airlines flying directly into Queenstown. However many others come into Auckland, Wellington and Christchurch.
