GENERAL INFORMATION

Pralognan-la-Vanoise is situated between La Plagne and Les 3 Vallées ski areas. It is a preserved Savoie ski resort that hosted the curling events during the 1992 Olympic Games.

A few triumphs have grown from this land with Michel Vion (World Champion in slalom and combined 1982 and today's French Ski Federation President) and Sébastien Amiez (Olympic silver medalist in slalom 2002, silver medalist at the World Championships 1997). Pralognan-la-Vanoise has organized many major sporting events since and to be mentioned most recently, the British Telemark Championships were successfully held here last winter 2017!

Pralognan-la-Vanoise, which is nestled in the heart of the 1st french National Park, is the Vanoise Capital. Nature here is Grand with more than 20 summits peaking above 3000m - the best known being La Grande Casse.

For more than 100 years we have been welcoming holiday-makers and today the people here are proud to rise to the challenge of organising the World Cup to top standards and enthusiastic about greeting all of you and making the event a real village festivity!

With experience from the 2018 World Cup, we are keen to renew this great adventure and provide for our athletes a quality organisation and memorable races for this 2nd edition.
