

FIS ROLLERSKI WORLD CUP 2019

22 - 26.08.2019

Dear competitors, coaches, organizers, referees, fans and all sports fans! Welcome to Ugra!

Khanty-Mansiysk for the second time became the venue for the FIS Roller Ski World Cup. The strongest athletes again came to Ugra to demonstrate the excellent level of training and the intensity of emotions in the fight for the medals of the competition.

Last year in 2018, the FIS Roller Ski World Cup made its debut on the Ugra land and left only positive memories from both its participants and officials. As acknowledged by the technical delegate of the International Ski Federation (FIS), the Khanty-Mansiysk stage was the best in the season in terms of the organization of competitions. We hope that this year we will be able not only repeat, but also to exceed the achieved result.

As a year earlier, the competition will be held on the tracks of the Alexander Filipenko Winter Sport Center, as well as athletes will go to the central streets of the district capital, which will certainly make the race even more attractive to viewers.

I hope that during the days of your stay in Ugra you will feel the warmth and hospitality of the locals and our land! And we, as the host side of the event, will do everything in our power to ensure that these competitions remain in your memory for a long time as a bright and unforgettable sports experience!

Good luck and let the strongest win!

Sergey Artamonov
The director of the Department of
Physical Culture and Sports of
