Big Air v meste 2020

Stefanikovo namestie - Kremnica - Slovakia

INTRODUCTION

Big Air v meste is the name of a one-of-a-kind event which will be held for the 12th time in the very heart of Europe and central Slovakia. Kremnica is an ancient gold mining town founded in 1328 by Charles Robert De Anjou and is famous for its Mint which is the longest non-stop operating factory in the world. Big Air v meste venue is set on Stefanikovo square which is enclosed by historical buildings including the Mint, the Town Hall (location of the Riders lounge and Office) and numerous medieval buildings and lies under the Castle of St. Cathrine which is the main dominance of Kremnica and gives the venue its majestic appeal. The event is organized by volunteers in a non-profit organisation called FRST Crew Kremnica and begun as spontaneous session during a heavy snowed winter in 2006.
