

2020 Pila Freeski Cup Announced Radio Partner Dee Jay

FIS Europa Cup freestyle slopesyle, from March 7th to 8th in Pila, Valle d'Aosta, Italy.

After many national freeski events, Pila will host in March 2020 for the first time an international freeski slopestyle, part of the FIS Europa Cup Tour, and it is ready to welcome competitors from all over.

Pila and its stunning panorama

For the first time ever the FIS Freeski Europa Cup will land in Pila, Valle d'Aosta, from March the 7th to the 8th, 2020. Pila is a well-known and super panoramic ski resort overlooking Aosta, offering a stunning panorama over the most famous "4.000" Alps, from Monte Rosa to Mont Blanc. Pila is very easy to reach, thanks to a fast cableway that connects the ski resort directly with Aosta downtown in 18 minutes only.

AreaEffe Snowpark, the Aosta City freestyle terrain

AreaEffe Snowpark, one of the oldest and best snowpark in the Italian alps, is perfectly shaped for the upcoming FIS Freeski Europa Cup from March 7th to 8th, 2020. With its 20.000 square meters of freestyle terrain, served by Grand Grimond chairlift, AreaEffe is the perfect Aosta "city snowpark" because you can get there from downtown in less than 30 minutes.

The competition set up will include 6 different features:

- starting area with 2 different sets of jib obstacles
- 3 table with double kickers from 14 to 16 meters
- final jib obstacle

Teams and competitors with FIS licence code are welcomed to join the first edition of the Pila Freeski Cup and enjoy Pila and the beautiful city of Aosta.
