Note: **Calculation of the time difference in individual events:**
The start time difference for each athlete is calculated by converting the number of points behind into time. Each point behind is equivalent to four seconds; an athlete 15 points behind will start with a time difference of one minute.
Wave:
To prevent significant start time differences, the Jury can decide upon the use of the "wave start". At the end of the Cross-Country race, the actual time difference after Ski Jumping will be adjusted accordingly.

Legend:

**	Wave Start	Diff.	Difference	DNF	Did Not Finish
DNS	Did Not Start	DSQ	Disqualified	LAP	Lapped
NH	Normal Hill
