# PROTOCOLS TO FOLLOW FOR:

CASES WITH SYMPTOMS / POSITIVE CASES/ CONTACT CASES

## Suspected case:

Someone showing typical symptoms:

➤ Inform the medical coordinator

1. Immediately isolate /quarantine the person in the room designated for this purpose: conduct an antigen or a RT-PCR test and a remote medical consult.
2. If the antigen test is positive ➤conduct a second RT-PCR test.
3. If the RT-PCR test is negative ➤ returning to the event is possible after a remote medical consult.
4. If the RT-PCR test is positive ➤ additional min.10-day quarantine if tested person has no fever for the last 2 days. Returning to the event is possible after a remote medical consult and approval from the medical center doctor.

Positive PCR or antigen test, but individual is asymptomatic

Immediate quarantine for min. 10 days if tested person has no fever for the last 2 days. Returning to the event is possible after approval from the medical center doctor.

## Contact cases:

Identified by NIJZ and/or COVID-19 unit

1. Immediately isolate /quarantine the person for min.10-day quarantine if tested person has no fever for the last 2 days..
2. If no symptoms ➤ conduct an RT-PCR test at T + 7 days:
  - Negative test result: return to the event
  - Positive test result: quarantine for 7 more days
3. If showing symptoms ➤ conduct an antigen or RT-PCR test
  - If antigen test positive ➤ conduct a second RT-PCR test
  - If results of second test are negative ➤ return to the event
  - If results of second test are positive ➤ additional min.10-day quarantine if tested person has no fever for the last 2 days. Returning to the event is possible after a remote medical consult and approval from the medical center doctor.

# PREVIOUSLY INFECTED PERSON POLICY

## Positive test between 14 to 90 days prior arrival

1. Person who was tested positive between 14 to 90 days prior arrival to Kranjska Gora is treated like exception if the person gets in touch with positive person. That means there will be no quarantine from Slovenian National Health institute (NIJZ).
2. Conditions to enter Slovenian border are available at <https://www.gov.si/en/topics/coronavirus-disease-covid-19/border-crossing/> under Exceptions without quarantine and negative PCR test

# NEXT EVENT COVID-19 TESTING

LOC will provide PCR and Antigen test at COVID CENTRE at Kranjska Gora.

Price for PCR test is 98,00 € and for ANTIGEN test is 25,00 €.
