

COVID 19 Preventative Measures for the Teams, Media and Service Providers attending the FIS World Championship Snowboardcross and Skicross at Idre Fjäll

The outbreak of the COVID-19 pandemic has affected every aspect of life for both business and individuals worldwide. The Swedish Ski Federation, FIS and Idre Fjäll's LOC are happy that this year welcome you all back to the FIS World Championship's.

The **FIS World Championships 11th to 13th of February 2021** will take place with enhanced safety measures. Based on the current directive by the Swedish Ministry for Health and exceeding measures by Idre Fjäll as well as by FIS, we herewith send this measure catalogue to you all. By accepting the order and by registering with the accreditation system every individual accepts the content of this measure catalogue entirely.

Basics

- Individual Responsibility
- Hygiene measure (frequent handwashing, frequent disinfection)
- Minimum distance of one meter everywhere

Mouth- nose protection

- In Sweden there is no law or recommendation to wear mouth – nose protection – but of course individuals are free to wear their mouth – nose protection!
- All the staff that are close to the teams will be wearing mouth-nose protection
- **We also will follow the FIS guidelines which means that all the Teams and service providers will have to wear mouth-nose protection in the competition area (red zone). All staff/volunteers inside the competition area will also wear mouth nose protection.**

Journey to Idre Fjäll

- Do not travel to the venue with symptoms of COVID-19
- If people close to you have been affected with COVID-19, please contact your superior and refrain from travelling to the event.
- Avoid stops when travelling to the venue
- Avoid contact with other people – especially team members.

The LOC advise everyone to fly to and from **Stockholm airport, Arlanda**.

Accreditation

- Due to the present situation we as organizers must limit the number of accredited persons. Please accredit only persons that are really working during the World Cup.
- Only one representative may collect all accreditations for their team or service providers.
- For FIS official they will receive their accreditation at the first TCM
- Team members will only be able to collect their accreditation when whereabouts, questionnaire and test is filled in the FIS Passport.
- Employees of the accreditation/race office wear mouth nose protection

Event Venue

- Keep minimum distance!
- Stay only in the allocated and marked zones.
- For service providers and media: Please avoid direct contact to sports teams and wear mouth-nose protection. As well as avoid contact with other staff members and members of the press.
- When riding in the chair lift all persons must be of the same team or same working group.
- No Spectators inside the event venue

Hotel

- In the restaurant you will be seated at a table where you will be served – no buffet area.
- Due to regulations from the Swedish government no more than 4 people are allowed at the same table
- Due to regulations from the Swedish government the restaurant is not allowed to be open no longer than 20:00 (you must leave before 20:30)

The Gym

As of 21/1 the Gym at Idre Fjäll are not open and will not be during the championships

COVID – 19 communication

- In case of symptoms inform the LOC (contact details will be announced) as well as your supervisor immediately.

- LOC will activate COVID- 19 chain of measures.
- In case of symptoms there is isolation rooms available
- All communication concerning COVID-19 must be discussed and agreed with FIS and the LOC.

To minimize the risk of infection the LOC recommends

- Small groups
- Limit contact to other persons
- Avoid contact with tourists/fans
- Spend your free time only with members of your team/group.

Additional measures:

- There will be no additional programme or audience in the finish area

For more information on how Idre Fjäll work with COVID- 19 we refer to our website, <https://www.idrefjall.se/en/about-us/information/important-information/>

- Please note that there are special measures taken for the World Cup that are not on the website since the website is how the resort work with COVID-19 overall.

We appeal to everyone to act RESPONSIBLE and to keep and implement all measures and recommendations! We will have stewards employed to control the compliance with the COVID- 19 guidelines.

The organizer reserved the right for necessary changes which have to be announced immediately.
