The Department of Homeland Security (DHS) has issued a National Interest Exemption to the existing travel restrictions for essential international staff and athletes participating in international sports federation events. Customs Border Protection (CBP) asks that we keep each entourage as small as possible. This exemption waiver will alleviate the need for any quarantine period when entering the U.S.

 - ***This also includes anyone that is transiting through these countries**
 - ****Individuals arriving from other countries who are not on this list do not require a waiver**
- The waiver does not exempt individuals from standard entry requirements, including **visa (B1 or B2 tourist/business)**, passport, and any other necessary documents
- All inbound travel must enter the US through the 15 designated airports (see next page)
