Competitions shall be carried out in accordance with recommendations from Polish health authorities (National Institute of Hygiene and Sanitary, Epidemiological Station), World Health Organisation and International Ski Federation.

As of 3rd February 2021 there are no restrictions for teams and officials travelling into Poland for international sport events (no PCR entering Poland, nor quarantine required) provided that entering individuals are able to prove the fact of the event being held and that they are officially entered as participating athletes/team officials, judges, accredited journalists.

After name entries are submitted by given deadlines, LOC will provide each team/official with written confirmation that might be required on entering Poland.

Shall there be any updates, we will inform everybody concerned accordingly.

ENTERING POLAND

Entering Poland via organised means of transport (plane, ship, train, regular bus line) – regular rules
Everybody arriving with one of the above is subject to 10 days quarantine, unless a negative PCR results are provided on arrival (valid 48 hours from test result made available).

All arriving with one of the above are requested to inform the LOC at a.baczowska@tzn.pl about date/time/travel modus (incl. flight number) so that relevant authorities can be informed prior to arrival.

On entering the country

- Random body temperature and general health state check-ups
- Public Health Passenger Locator Form to be filled up

Use your own transportation whenever possible, both travelling into Poland and once on site.

For interested teams LOC shall facilitate car rental from airports.

On request, airport pick-ups will be provided, as well as on-site shuttle made available. Drivers will wear face protection at all times. Vehicles shall be sanitised regularly.
