

## COVID-19 Prevention measures and recommendations for teams as part of the FIS Snowboard Weltcup in Scuol, Switzerland

**Last update: December 3rd, 2020**

Due to the COVID-19 pandemic, the **FIS Snowboard World Cup in Scuol from 9<sup>th</sup> January 2021** must be held under increased security measures. According to the current regulations of the Switzerland Federal Ministry of Health (BAG) and the additional measures from the "Verein für Veranstaltungen im Unterengadin" as the organizer in addition the regulations from the FIS, we hereby send the protocol of the current measurements to be taken by the teams as from 3.12.2020.

By registering for this event, each team member confirms and accepts the content of this protocol of measurements for the above-mentioned event to the fullest.

### Important safety measures

- Taking personal responsibility
- Hygiene measures (regular hand washing, regular disinfection)
- Maintain a minimum distance of 1,5 meter in all areas (social distancing)
- Wearing mouth and nose protector (surgical face mask or certified buffs)
  - On the entire event site, except
    - During mealtimes
    - During the practice of sport
    - Athletes in the start and warm-up area
  - In all closed rooms
  - For all transports in buses, shuttles, gondolas, chair lifts and in common areas of your accommodation

Due to the Covid-19 situation, the organization committee is obliged to limit the number of accredited people. Therefore, only team officials, according to the current FIS quota, will be granted access to the team and sports relevant areas. People outside the current FIS-quotas will not be granted access to the above-mentioned areas and will not be able to stay in the exclusively designated team accommodation.

### Journey to Scuol

- In case of COVID-19 symptoms do not travel to the venue!
- Avoid stops between the departure point and the event location
- Avoid contact with other people - especially outside the team

### Accreditation and race office

- Each team member officially named by the respective National Ski & Federation via the FIS Passport must submit a **negative PCR test not older than 72 hours**. The PCR test presented must be recognized by the health authorities in the country where the test has been carried out.
- For the test protocols we need at least one contact person (team captain or team doctor) including contact details (name, mobile number, e-mail address) - please announce this at the FIS online entry.
- **Each team member must also bring the current health questionnaire prescribed by the FIS Passport to the event.**
- In the FIS passport the whereabouts of the last 14 days must be applied.

- Only after these documents have been presented, checked and documented, accreditations be handed over to the team captain or one nominated person and the reserved rooms in the hotel can be occupied.
- If a person is positive and does not yet have a negative test, this person must go to a designated quarantine room. This room may only be left after a negative test has been shown.
- Only the team captain or **one** representative of the team may receive the accreditations collectively.
- Employees of the accreditation/racing office wear a mouth-and-nose protection or are separated by a physical barrier/screen (aerosol protection).

#### Hotel

- The LOC has reserved team accommodation.
- Each team member is obliged to stay in the accommodation allocated by the LOC for the duration of the event.
- Wear a mouth and nose protector in all public areas.
- In the buffet area a mouth and nose protector are mandatory and can be taken off at the table.
- Further hygiene measures according to the hotels policy.
- Check-in of all team members by the team captain.
- Maintain social distancing in all areas.

#### Drive from the accommodation to the event site

- Preferred transport in the own team vehicles.
- Avoid stops between the hotel and the venue.
- Only use the allocated and designated parking space for your team

#### Event site

- Maintain social distancing
- Remain in the assigned and marked team zones (red zone).
- The team zone (red zone) is fenced off and only accessible to designated accredited people.
- Avoid direct contact with other teams, employees, staff, or press.
- Mouth and nose protection must be worn on the event site. Exceptions:
  - o During the practice of sport
  - o Meal times
  - o At the start and warm-up area, athletes do not need mouth-and-nose protection, but mouth-and-nose protection is mandatory for all coaches/service staff/officials.
  - o If any member of the team feels unwell or has COVID-19 symptoms, contact the LOC immediately at the Single Point of Contact +41 861 10 00 Code name: Snowboard Worldcup  
The Covid – 19 Coordinator is Aldo Sala: aldo.sala@cseb.ch
- This number is serviced 24 hours a day from the official arrival until the official departure.
- In case of symptoms, an isolation room is reserved near the event site.

#### Mixed Zone & Media

- • TV/radio/press must maintain social distance from athletes.
- • TV/radio/press must wear masks (FFP2) during interviews.
- • The number of media representatives will be severely restricted in agreement with the FIS.

FIS Snowboard Weltcup

Nationalparkregion

#### Team Captains Meeting (TCM)

- The TCM procedure is communicated via FIS.

#### Doping Control

- Athletes, doctors, team doctors and chaperones must wear a mouth and nose protector throughout the entire doping control.
- Wash and disinfect hands after the doping control.

#### COVID-19 Communication

- In case of symptoms immediately inform the LOC at the Single Point of Contact +41 861 10 00  
Code name: Snowboard Worldcup - LOC activates the COVID-19 rescue chain.
- All communication regarding COVID-19 must be coordinated with the FIS and the LOC.

#### Training and competition protocol

- Before each training and competition, a training and competition protocol (see appendix 2) must be handed in to the LOC by each team, in which the health status of the individual team members is documented.

#### Covid-19 Testing in Scuol

- Only PCR Test are available in Scuol (prize CHF 160). Test result will take 24 hours.
- If in need, please contact accreditation / race office (Chantal Mayor +41 861 88 14 or [c.mayor@engadin.com](mailto:c.mayor@engadin.com)) before the event or while picking up the accreditation
- Testing facilities are situated in the "Medical Centre of Scuol" at the Hospital Scuol

#### Leaving Scuol Engadin region between the official day of arrival and official day of departure

- If, in exceptional cases, someone should have to leave Scuol after arrival and before departure, this must be notified immediately in writing to the administration office at [c.mayor@engadin.com](mailto:c.mayor@engadin.com)

To minimize the risk of infection, the LOC recommends the following safety measurements:

- Remain in small groups.
- Avoid contact with other teams.
- Avoid contact with LOC staff.
- Avoid contact with tourists/fans.
- Interviews with journalists only with socially accepted distance and mouth and nose protection.
- Wash and disinfect your hands regularly.
- Documentation of your current health status.

**We appeal to EVERYONE to take their OWN RESPONSIBILITY and comply and implement all measurements and recommendations made! Guidelines are used to implement or control compliance with the COVID-19 specifications. For your own safety and the safety of other people, you must follow the instructions of the operational staff.**

We reserve the right to exclude you from the event and to take legal action in the event of non-compliance with the COVID-19 regulations.

**The measurements defined were determined in accordance with the current regulations in Switzerland by the government from 28.10.2020. The organizer reserves the right to make necessary changes, which will be announced immediately.**
