COVID-19 Safety Protocol

14-16 January 2022

COVID-19 Safety Protocol Wengen

Please consider, that during a pandemic directives and regulations may change within short notice

The COVID-19 safety protocol Wengen is based on:

- Current national, cantonal and communal directives (mainly Swiss Federal Office of Public Health FOPH)
- Guidelines and directives of the Fédération Internationale du Ski FIS and their regular updates
- Swiss directives to sports events (BASPO + Swiss Olympic)
- Swiss Ski Safety Concept WC and its regular updates
- COVID-19 Safety Concept Wengen 2022 and its regular updates

GENERAL PRINCIPLES

Coronavirus
PROTECT YOURSELF AND OTHERS ✓

BE SURE TO OBSERVE THE FOLLOWING:

Get vaccinated.

Minimise contact.

Wear a mask.

Wash or sanitise your hands.

Keep your distance.

Get tested if you have symptoms.

Ventilate regularly.

Work from home if possible.

www.foph-coronavirus.ch

Rules can vary from canton to canton.

Main messages:

- Valid COVID-19 certificate is mandatory to get access to the event site (vaccinated, recovered, tested)
- Wearing masks is mandatory indoors on the entire site and at all venues
- Wearing masks outdoors is highly recommended (group Red: masks are mandatory outdoors) (exception: athletes: during competition, all: strenuous physical activity, during meals while seated)
- Wash and disinfect your hands
- Keep a distance
- In case of symptoms: isolate and call +41 (0)33 856 66 86 (Hotline Wengen)

Coronavirus
PROTECT YOURSELF AND OTHERS ✓

Make sure you have your **COVID certificate** and ID ready.

„RACE“ Bubble

(Athletes, ski team staff, FIS staff)

Accreditation

- FIS Passport with:
 - Negative RT-PCR within 48 hours before accreditation
 - Negative FIS questionnaire
- No symptomatic person will be accredited
- Any pre-existing prescribed isolation or quarantine has to be completed before accreditation
- Results of PCR-Test and questionnaire must appear in the FIS passport 12 hours before the accreditation retrieval area opens for the race bubble, in order to allow the COVID-19 medical coordinator to review and approve them. Accreditation opening hours will be communicated to the team captains

During the event

- Valid COVID-19 certificate on entire event site
- Check daily for symptoms via questionnaire
- RT-PCR or Rapid-Tests by appointment
- Appointments via Test Point (see above)
- Persons without vaccination (including having recovered or positive antibody test) will need a current negative Ag-test on daily basis
- Self testing or group testing doesn't show on a certificate and is not accepted
- It is mandatory to contact the COVID-19 coordinator in case of symptoms or a positive COVID-19 test occurring within 14 days after the event. Please communicate via e-mail

Hotline +41 (0)33 856 66 86
E-Mail ok@lauberhorn.ch

„Organizer“ Bubble

(Volunteers, race officials, Swiss army, civil service, medical team, contractors)

Accreditation

- Please present:
 - Valid COVID-19 certificate (vaccinated, recovered, tested; CH, EC/EFTA) + official identity card
 - Foreign certificates will have to be transcribed [National COVID certificate application platform \(admin.ch\)](https://www.admin.ch)
- No symptomatic person will be accredited
- Any pre-existing prescribed isolation or quarantine has to be completed before accreditation
- Accreditation opening times will be communicated individually by e-mail

During the event

- Valid COVID-19 certificate on entire event site
- Check daily for symptoms via questionnaire
- RT-PCR or Antigen-Tests by appointment
- Appointments via Test Point (see above)
- Persons without vaccination and without having recovered will need a current negative Ag-test on daily basis («recovered» indicates: positive PCR > 14 days and < 365 days, positive antibody test < 90 days).
- Self testing or group testing doesn't show on a certificate and is not accepted
- It is mandatory to contact the COVID-19 coordinator in case of symptoms or a positive COVID-19 test occurring within 14 days after the event. Please communicate via e-mail
