- **Covid Manager:** Dott. Mauro Boccardi
- **Covid Centre:** Auditorium Bormio Ski (ground floor) – Via Btg Morbegno, 2 – Bormio

General rules

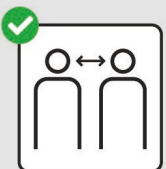

- Health is the highest priority, that's why solidarity and individual responsibility are required.
- To take part to the event teams, LOC staff, media, First Aid members and all those involved in the event must prove negative result to COVID-19 test.
- Due to the COVID-19 situation, the number of accredited people will be limited. All non-accredited people will not be granted access to event areas.

Mask, distance, and hygienic rules

- Always keep the mouth-nose protection mask (FFP2, preferably) and distance of 1 m. in all event venues, accredited zones, public areas, and transports.
- Wash hands very frequently and use hand sanitisers.
- Change masks frequently.
- Hand sanitisers will be available at the several event venues but always take yours with you.
- Masks don't need to be worn in the following exceptional circumstances:
 - athletes in the warming-up area or after entering the start corridor
 - journalists and photographers in the media centre when sitting at their desk
 - during mealtimes

Journey to Bormio

- Don't travel to the venue with COVID-19 symptoms.
- Teams should avoid contacts with non-team members.
- Media should preferably travel with their own means of transport.

Staff, OC members and providers accreditation (Blue group)

- All staff and OC members must prove:
 - Administration of two doses of vaccine
 - The complete single-dose vaccination cycle considered “fully vaccinated” according to the regulations of the country of origin
 - The recovery, not exceeding 6 months, certified by the health authority of the country of origin

All must take an **antigenic test every two days at the Covid center from December 23 to December 30, 2021**. The schedule is organized by the OC, the test is free and you’ll receive an sms with the exact dates and times.

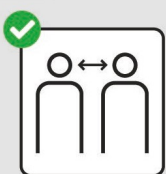

- Accreditation is strictly personal and must be always worn.

Team accreditation (Red group)

- To receive the accreditation, all teams (both athletes and staff) **must provide a valid Super Green Pass**:
 - Administration of two doses of vaccine
 - The complete single-dose vaccination cycle considered “fully vaccinated” according to the regulations of the country of origin
 - The recovery, not exceeding 6 months, certified by the health authority of the country of origin

You need to provide a negative molecular test (polymerase chain reaction – PCR). The result of the molecular test must be uploaded on the FIS Passport platform. That’s compulsory and test **can’t be older than 72 hours prior to the arrival to Bormio**

- Similarly, it’s compulsory to upload on Fis Passport the results of any previous positive molecular test, to establish the individual's clinical history and calculate the transition time from positivity to negativity.
