

FIS Alpine Ski European Cup 2022 Sarntal COVID-19 Guidelines

1. Introduction

We apply the generally valid rules for prevention and managing Covid-19 infection and disease in field of race and in event organisation. The WHO and IOC Medical Department rules are integrated in a local test and safety program directed by Dr. Patrick Franzoni.

Athletes and team staff must be informed by their team captains about this measures and rules concerning COVID-19.

2. Entry to Italy / South Tyrol

Latest information regarding travel restrictions to and from Italy can be found at the following links:

[Current Information about the coronavirus in South Tyrol](#)

[Ministry of Health/Novel coronavirus](#)

3. Protection Measures during the event

To manage and control most of the protection measures we use the **FIS Passport** software.

3.1 Requirements for attending the event

Requirements for all team members (athletes and officials):

- valid EU Covid 2G Certificate (EU Green Pass - vaccination or recovery certificate)
- negative PCR test not older than 72 h
- valid registration for the FIS Passport and successful application for the event
- daily management of the health questionnaire

3.2 Registering for the FIS Passport and applying to the event

Register for the **FIS Passport** and apply to the EC event. Please do the registration in time. Ideally **2 weeks** before the event.

The essential steps are:

- Registration for the FIS Passport on <https://fispassport.fis-ski.com/fis/>
Access code is: **FIS2022**
- Provide personal data and upload the EU 2G Green Pass (vaccinated or recovered)
- Apply to the European Cup event in Sarntal
- Manage Event Application
For the use of the event application you will receive an e-mail with the link to the application and the personal TAN Code for the access.
- Click on the link in the e-mail, login with your personal TAN, select the European Cup event in Sarntal, enter arrival and departure date and save the inputs
- For the management of the health questionnaire, you will receive e-mails from the event application. Fill out the questionnaire by WhatsApp or web form. These e-mails are sent out from the system once a day, so be patient.
- Upload your negative PCR test **not older than 72 hours upon accreditation**
- Check both status indicators, the one for "Covid-19 Pre-Event Test Results" and the one for "Pre-Event Health Questionnaire". Only if both indicators are green, the registration for the event is successful.

Team members will receive accreditations only, if both buttons are green, on the event page of the FIS Passport.

Additional information on **Registering for the FIS Passport and applying to the event** are available under these links:

3.8 Regulations for Volunteers, Guests, Suppliers

Everyone who belongs to this group needs:

- a 2G Green Pass (vaccination or recovering from Covid 19 certification)
- wear an FFP2 mask

3.9 Reporting of sickness during the event

If you have any cold symptoms (cough, runny nose, sore throat, difficult breathing, loss of taste or smell) or in case of feeling sick, please follow these proceedings:

- Rapid Test will be conducted
- Isolation until the result
- In case of positive rapid test, further measures and tests will be coordinated by FIS and local health authorities

4. Accreditation

4.1 Accreditation for athletes and team members

Wednesday, 02.02.2022 in the race office from 16:00 to 18:45.

The race office is located at the valley station of the Gondola Lift in Reinswald.
Only one representative per team can pick up accreditations for the whole team.

With a valid FIS Passport and EC event registration, you become the accreditation in form of a bracelet.
Registration control by the LOC on the FIS Passport LOC Portal.

4.2 Accreditation for all other people involved in the event

Individual accreditation every day at the first access to the event area.

5. Local COVID-19 Regulations and Recommendations

5.1 General Regulations

Transportation and Lift facilities

- the capacity is limited to 80% of the normal conveying capacity
- Covid 2G Certificate (vaccination or recovery certificate) is required
- wearing a FFP2 mask is compulsory

Gastronomy (bars and restaurants)

- indoor consumption is only permitted with the 2G Covid Certificate
- both, customers and staff, must wear a FFP2 mask

Accommodation establishments

- for the access to the Hotel, to indoor swimming pools, wellness and thermal facilities, gyms and fitness centres, the 2G Covid Certificate is required

5.2 General Recommendations

- FFP2 mask recommended in all closed places
- Change masks frequently
- Safety distance of at least 1 meter. If this is not possible also wear a mask outside.
- recommended basic precautions: handwashing, respiratory hygiene, distancing responsible, daily health self-assessment, avoid hand shaking, availability of contact details for rapid contact tracing
- limit direct contacts and be responsible
