COVID-19 HEALTH & SAFETY PROTOCOLS

*AUDI FIS WORLD CUP SKI
COURCHEVEL
DECEMBER 21.2021*

Guidelines and protocols established by event organizers working side by side with the FFS and FIS

HEALTH & SAFETY PROTOCOLS

The following protocols were established by the **organizing committee** for the Women's Alpine Skiing World Cup in Courchevel, working closely with **Fédération Internationale du Ski, Fédération Française de ski**, and local (**Savoie Prefecture** and the **mayor's office in Courchevel**) health authorities in France.

To date, the protocol guidelines are as follows:

- ❖ Limit as much physical contact and interaction as possible by establishing sanitary bubbles.
- ❖ A sealed off race area with very strict health and safety protocols.
- ❖ Adhere to physical distancing protocols and protective measures everywhere.
- ❖ Wearing a mask is required at all times, in every area both indoors and outside.
- ❖ A policy of using nasal RT-PCR tests for the **RED bubble**

ENTRY REGULATIONS IN FRANCE

❖ For latest information regarding travel restrictions to and from France,

HEALTH & SAFETY PROTOCOLS

Goals and basic principles:

Protect the health of participating athletes and everyone involved in the event, as well as ensure that all races go as planned

PROTECTION

Wearing a mask is required
Use hand sanitizer frequently

DISTANCING

Always maintain proper physical distancing

SAFETY & HYGIENE

Do not interact with the general public
(autographs and selfies are strictly forbidden)

HEALTH & SAFETY PROTOCOLS

Goals and basic principles:

TESTING

Follow Covid-19 testing protocols
Presented above and in conjunction with the French Health Ministry

CONFINEMENT

Stay within one's sanitary bubble and avoid all unplanned or unsafe outside contact

TRANSPARENCY

Alert the doctors and organizing committee of any symptoms
Identify any contacts at risk

VENTILATION

Ventilate any and all enclosed spaces

SANITARIETY BUBBLES

ORGANIZERS & MEDIA

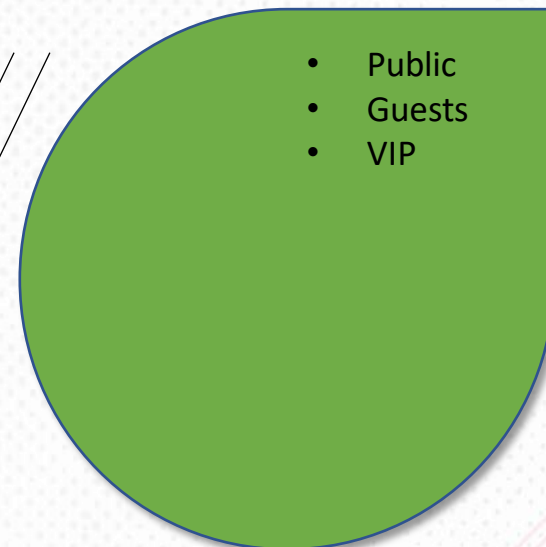

Limited interaction with the RACE bubble
FFP2 masks required

RACE

Regulated and supervised interaction with the other bubbles
FFP2 masks required

SPECTATORS

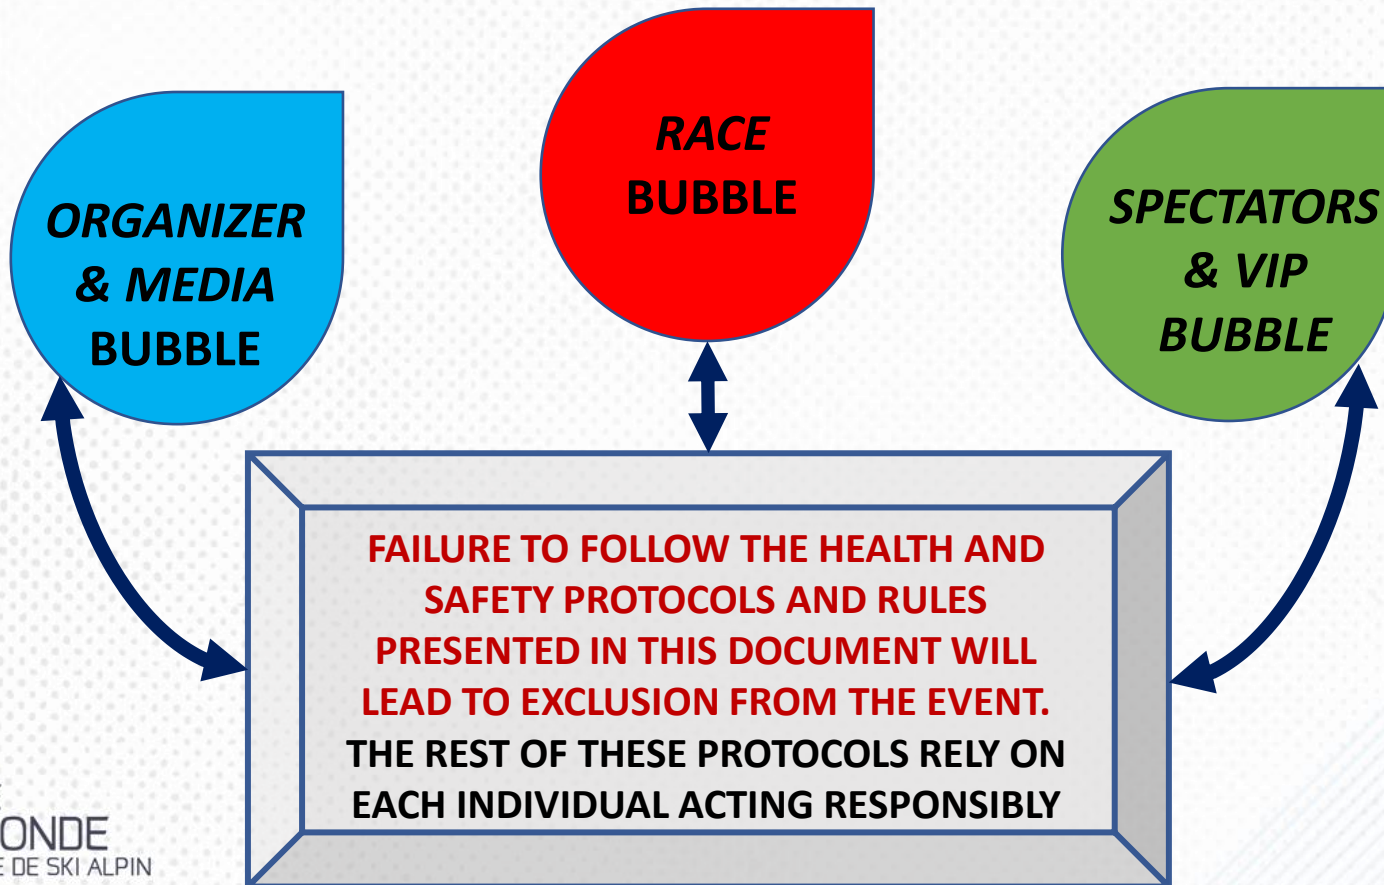

No interaction with RED bubble

HEALTH & SAFETY PROTOCOLS

Failure to follow health and safety protocols,
and exclusion:

COUPE
DU MONDE
FEMININE DE SKI ALPIN

TESTING POLICY for **RED BUBBLE**

- ❖ Strict adherence to Health Ministry and ARS protocols.
- ❖ 1 nasal RT-PCR test required less than 72 hours before the start of the event for anyone going to the event location to pick up their accreditation.
- ❖ Health pass (Greenpass) and RT-PCR test must be uploaded on the FIS PASSPORT SYSTEM.

<https://fispassport.fis-ski.com/> Code : FIS2022

- ❖ Turn in a filled out and signed the FIS questionnaire.

<https://fispassport.fis-ski.com/> Code : FIS2022

- ❖ The organizing committee recommends that all people working at the event download the **TOUSANTICOVID** mobile app.

HEALTH & SAFETY PROTOCOLS by Bubble

Red bubble :

**FACE MASK
REQUIRED**

- ❖ Members of the red bubble can access :
 - ❖ Race office
 - ❖ Team captains' meeting
 - ❖ Waiting areas
 - ❖ Start and finish areas
 - ❖ Mix zone
 - ❖ Team hospitality
 - ❖ Ski lift
 - ❖ Jury room

Some red areas may need a restricted area access pass.

HEALTH & SAFETY PROTOCOLS by Bubble

Red bubble :

**FACE MASK
REQUIRED**

- ❖ Members of the red bubble must respect these rules :
 - ❖ **Present a negative PCR test dated less than 72 hours before the accreditation is delivered**
 - ❖ Wear their accreditation at all time
 - ❖ Wear a FFP2 mask (mandatory inside, highly recommended outside)
 - ❖ Respect the basic principles (distancing, hand-washing, transparency...)

HEALTH & SAFETY PROTOCOLS by Bubble

Red bubble (Accommodation and meals) :

FACE MASK
REQUIRED

- ❖ Teams housed on the same floor, access to the hotel's amenities using the stairs (to avoid elevators), try to keep the teams separate from the hotel's other guests
- ❖ Maintain appropriate distancing between twin beds
- ❖ If possible, a separate and specific entrance for the team
- ❖ An additional cleaning / disinfection schedule before their arrival
- ❖ Do not clean rooms when the team members are present (avoid all contact with house keeping personnel)
- ❖ Make isolation rooms available if needed
- ❖ Specific time for meal dedicated to teams, to avoid contact with other guests
- ❖ Prepare dining room before the team arrive

“RACE” BUBBLE TESTING PROTOCOL

To get accredited, you need to:

1. Present the results:

❖ For a nasal RT-PCR test >0 test conducted within 72 hours of arrival at the venue

2. Fill out the FIS questionnaire.

The results must appear in one's FIS PASSPORT 12 hours before the accreditation retrieval area opens for the race sanitary bubble so that the COVID-19 medical coordinator can review and approve them. The accreditation retrieval times will be sent later by email by the race office to the Team Captain.

To process your FIS passport:
<https://fispassport.fis-ski.com/fis/>

Code : FIS2022

After the races:

Contact the race office before your arrival if you need to get tested after the race to leave France.

Contact the Courchevel Covid-19 unit medical coordinator if any known symptoms appear.

The Organizing Committee recommends that you:

- Download the “tous anti-covid” (all against covid) application
