BREACH OF HEALTH PROTOCOL

SANITARY MEASURES

- Verification of the sanitary pass and the access contrôle according to the accreditation colors will be done at the entrance of the event.
- The spaces will be reorganized in order to limit the flow of people
- Limit the workforce within the spaces

Lift Access :

- Specific queue for the race bubble
- Respect for the national laws in place during the event : See the ski lifts' rules (STGM)

SANITARY MEASURES

Podiums:

- Prize giving at the end of the races on the finish area
- Respect for physical distancing between the athletes themselves and between athletes and journalists
- A space will be reserved for photographers and journalists in front of the podium at a suitable distance
- No handshaking
- Athletes must stay on their podium

Media:

- Media will not be able to have direct access to athletes, competition areas or team zones. Concerning the athletes' interviews, media should do it from the Mixed Zone (through the safety area)
- It is recommended that journalists invest in a 'selfie stick' or boom stick to get the recording device close enough to pick up the athlete's voice during mixed zone interviews.
- All microphones should have a plastic cover over the foam that is replaced after each interview. The microphone should stay only with the athlete and the journalist should not speak into it as well
