Inbound Travel- National Interest Exemption Waiver

The Department of Homeland Security(DHS) has issued a National Interest Exemption to the existing travel restrictions for essential international staff and athletes participating in international sports federation events.

Customs Border Protection (CBP) asks that we keep each entourage as small as possible. This exemption waiver will alleviate the need for any quarantine period when entering the U.S.

- The exemption provides access to the U.S. for individuals traveling from countries impacted [212\(f\)-restricted countries](#) for anyone who has been in China, Iran, Europe's Schengen region, the United Kingdom/Ireland, and Brazil 14 days prior to arrival to the U.S.
 - This also includes anyone that is transiting through these countries
 - Individuals arriving from other countries who are not on this list do not require a waiver
- The waiver does not exempt individuals from standard entry requirements, including visa (B1 or B2 tourist/business), passport, ESTA, and any other necessary documents
- The LOC will notify teams if anything changes regarding these requirements
