GENERAL PRINCIPLES

- ❖ Determined by current national regulations in France (Health Ministry, Sports Ministry, ARS, and CPAM).
- ❖ Protocols take into consideration recommendations made by the International Ski Federation (FIS).
- ❖ Testing protocols established for all accredited individuals for the duration of the event.
- ❖ Cost of test (53,49€) to be paid by the person requesting the test. Immediate payment to the medical laboratory on site. For French citizens, cost of test will be covered by the “Assurance-Maladie”. “Carte Vitale” must be presented.

HOW TO BOOK A TEST ?

- For a test @Le Praz
 - Contact the Race Office, and they will take care of the reservation.
- For a test @Courchevel 1850 or @Moutiers
 - Contact the Race Office to inform them about it. They will help as much as they can, but can not book an appointment for you.
 - Be careful, since these laboratories are public, it may not be available at all time.

“RACE” BUBBLE TESTING PROTOCOL

Team Athletes + Team staff + FIS staff + Timing team

To get accredited, you need to:

1. Present the results:

- ❖ For a nasal PCR test >0 test conducted within 72 hours of arrival at the venue
 - ❖ Or for an “Abott or Roche” serology test dated between 6 months and 2 weeks prior to arrival
- The results must appear in one’s FIS PASSPORT 12 hours before the accreditation retrieval area opens for the race sanitary bubble so that the COVID-19 medical coordinator can review and approve them.*

2. Fill out the FIS questionnaire.

To process your FIS passport:
<https://fispasport.fis-ski.com/fis/>

Code : FIS2022

During the races you can get tested:

Quick results PCR tests by appointment, results within 24h max.
Wednesday 4th : 9.00 – 13.00 | Thursday 5th : 15.00 – 20.00 | Friday 6th : 15.00 – 20.00 (@Le Praz)
Teams have to contact the Race Office to make their appointments for testing.

Contact organizing committee as soon as possible to make an appointment before the races.

After the races:

Contact the Courchevel COVID-19 unit medical coordinator if any known symptoms appear.

The Organizing Committee recommends that you:

- Download the “tous anti-covid” (all against covid) application
- Fill out the FIS questionnaire before each test
