RADIOS

Herewith we present an official statement regarding use of portable radio stations and allowed radio frequencies in Russian Federation.

Radio frequencies are divided into 3 groups

1. Frequencies allowed for free use without additional documents.
2. Frequencies allowed only after obtaining official permission (time for obtaining permission up to 6 months)
3. Frequencies forbidden to use

Import of equipment of groups 2 and/or 3 without official permission is forbidden.

Obtaining permission for group 2 takes up to 6 months and is not free of charge.

Therefore OC recommends to the teams to check if their radio frequencies are correspondent to the specification of group 1

- Radio stations for private use, range of 27 MHz (CB- range) with a tolerable radiation of the transmitter not more than 10 W
- Low-power radio stations with frequencies 433,075 - 434,750 MHz and with a tolerable radiation not more than 10 MW

Portable Radio stations with frequencies of 446 - 446,1MHz and with a power of radiation no more than 0,5 W

For the teams whose radios are not within the above description OC will provide local radios with a rent price of **10 EURO per radio**.
