Border Crossing:

*Certain restrictions apply for crossing the state borders. A person who meets the recovered/vaccinated/tested rule (**RVT rule**) may enter*

the Republic of Slovenia without being ordered to quarantine at home. A rapid antigen self-test cannot be used to meet the requirement of the tested rule.

NEW INFORMATION: As of 21 February 2022, restrictions due to Covid-19 no longer apply when entering Slovenia. This means that the RVT (recovered/vaccinated/tested) condition no longer has to be met at the border and travellers will no longer be ordered to quarantine at home.

Each team will get a timetable and all information upon the arrival to the Hotel. The cost per rapid antigen test is 25 EUR. All costs for testing shall be paid by the teams.

NEW INFORMATION: Due to an end of most COVID-19 restrictions in Slovenia from 21/2/2022 additional testing with rapid antigen tests on Saturday morning is cancelled.
