1. SETTING

Formigal, situated in the heart of the Aragonese Pyrenees, has a rich variety of landscapes. The Gallego river cuts through the valley, which is surrounded by high peaks, glaciers, massifs, streams, gullies and one of the most important groups of small natural mountain lakes of the Pyrenees.

The residential area of Formigal, in the Tena Valley, is situated at 1,550 m at the foot of the Aramon Formigal-Panticosa ski resort, which is just a few kilometres from Portalet, the French border mountain.

It is an important international winter sports complex and, in summer it is a mountain tourist resort, providing an array of sporting activities and organized excursions.

2. HOW TO GET THERE

Formigal-Panticosa has the fortunate strategic position of being right in the middle of the Aragonese Pyrenees which means it can be easily reached from France or Spain. Most of the major cities, such as Madrid, Barcelona, Bilbao, San Sebastian and Zaragoza have direct links by motorway or highway, which allows a comfortable trip to the ski resort of Formigal-Panticosa.

The Formigal-Panticosa Ski resort is located in the Tena Valley, one of the most magic territories of the Pyrenees. The Gallego river rises in this valley, a place where the charms of nature and the architecture of its mountain villages do not leave anyone indifferent. Formigal-Panticosa, the largest ski area in Spain.

Formigal-Panticosa offers six valleys to live an unique experience: 180 skiable kilometers. It is an appropriate ski destination both if you are a passionate expert skier or a beginner and whether you travel with your family, partner or friends. A realm of experiences, a destination where you can enjoy snow with different adventures from sunrise until sunset.
