**Note:**  
A bold line in the "Gate" column indicates a change in gate assignment at that point.  
**Total Point score calculation:**  
60 points are awarded for jumping the K-point distance. 1.8 points/metre are added to (or subtracted from) the athlete's total points for the jump's difference in length from the K-point. The gate and/or wind compensation points are added to, or subtracted from, the total points.
