

COVID-19 Prevention Guidelines and Recommendations for teams for the FIS Snowboard World Cup Gastein 2022

Status on 30th December 2021

Due to the COVID-19 pandemic, the FIS Snowboard Cross World Cup Gastein organized on 10th and 11th January 2022 must take place under tight security measures due to the continuing COVID-19 pandemic. Based on the current regulations published by the Austrian Federal Ministry of Health and further measures taken by FIS and the Austria Ski Veranstaltungen GmbH, as the organizers of the event, we would like to present the following catalogue of measures to all teams published on 30th December 2021. We kindly ask you to forward this information to all team members (athletes, coaches, staff, NSA officials etc.) and FIS officials/employees registering for the event via the FIS platform. By registering for this event, each team member and every FIS official/employee fully confirms and accepts the content of this catalogue of measures for the above-mentioned event.

Important information:

- Take responsibility for your own actions.
- Follow hygiene measures (regularly wash your hands and disinfect)
- Show proof of negative PCR test not older than 48 hours
- Re-testing is necessary for all people without vaccination or recovery certificate
- Contact data collection for each team for contact tracing
- FFP2 masks are mandatory in the venue
- Answer the health questions.
- Wear a face mask whenever the distance of 2 meters cannot be respected and in all closed rooms.
- **COVID hotline during the event: +43 664 3485920**

As the organizers of the event, we are obliged to limit the number of accredited people due to the COVID-19 situation. Therefore, only team officials are granted access to team and sports relevant areas, in line with the respective FIS Entry system. People outside the applicable FIS Entry system are not allowed to enter the above-mentioned areas!

Entry regulations for Austria:

With the current entry regulations, arrival in Austria is possible from countries with low infection rates. All travellers need to show a negative PCR test or proof of vaccination/past infection (so called “2,5 G rule”).

Latest information on arrival in Austria is available on:

<https://www.sozialministerium.at/en/Coronavirus/Information-in-English.html>

Please check the travel regulations from your (home) country prior to your arrival in Austria.

Important information for people traveling from a country with a high epidemiological risk:

As an athlete/trainer/staff member taking part in an official World Cup event, you are excluded from the mandatory quarantine. But you must fill out and bring the Pre-Travel Clearance Document and a PCR-Test not older than 48h.

Arrival in Gastein:

- Do not arrive at the venue when showing COVID-19 symptoms.
- Avoid stops between your place of departure and the event location.
- Avoid contact with other people, especially outside your team.

COVID-19 test checks/health questions/contact tracing

- Every team member officially named by the respective national ski association via the FIS online system and FIS officials/employees are obliged to present a negative PCR test not older than 48 hours upon accreditation. The PCR test presented needs to be recognized by the health authority of the respective country! For all PCR tests it is necessary to indicate the time of taking the sample and the name.
- The corresponding test protocol needs to be uploaded to the FIS Passport platform at least 12 hours prior to collecting accreditation. If you don't have the opportunity to take a PCR test prior to your arrival in Austria, you will find a list of laboratories offering PCR tests in Austria in Appendix 1 (please check for opening hours, evaluation times, costs, etc.). In case of inconclusive PCR test results, the LOC reserves the right to ask you to take a new test.
- Together with the test protocols and for possible contact tracing, you need to name at least one contact person (team captain or team doctor) including contact details (name, mobile phone number, email address) - please provide this information via the FIS Online Entry System.
- **Furthermore, it is necessary to fill in the health questionnaire via the FIS Passport prior to collecting the accreditation and then daily for the duration of the event.**
- RE-TESTING as communicated by FIS:
People with a valid vaccination or previously infected ones don't have to undertake further testing during the event days. Not vaccinated or not previously infected people must upload another negative PCR test result latest 3 days after official arrival day to continue taking part in the event or trainings. Everyone is self-responsible for providing further test results and to upload it on the FIS Passport. Otherwise, the accreditation will be blocked and the access to the venue isn't possible.
- The vaccination and recovery certificate must also be uploaded to the FIS Passport!
- The re-testing is valid for: PCR test 48h
- Following vaccinations are currently valid for Austria:
 - BioNtech/Pfizer (valid for 270 days after second shot)
 - AstraZeneca (valid for 270 days after second shot)
 - Moderna (valid for 270 days after second shot)
 - Janssen Pharmaceutica NV (Johnson & Johnson) (only valid with a 2nd shot!)

- What recovered/previously infected mean:
 - A medical confirmation about an overcome infection with SARS-Cov-2 which has been proven by molecular biology (e.g., PCR test) no longer ago than 180 days.
 - An official separation notice is also valid for 180 days.

Accreditation/Race Office:

- Only after presentation, examination, and documentation of the above-mentioned documents (PCR test, health questionnaire, contact person) will the accreditations be handed over to the team captain or a person appointed in advance.
- Only the team captain or one representative of the team is allowed to collect all accreditations for the entire team.

Accommodation:

- The LOC will reserve appropriate team accommodation according to the FIS Entry system.
- You are required to show a negative COVID test or proof of vaccination/past infection in all hotels and restaurants!
- Check-in for all team members via team captain.
- Further hygiene measures may be displayed at the hotel.
- Please book your accommodation via the LOC. If you book your accommodation on your own, please notify the LOC where you'll stay during your stay in Gastein.

Transport from accommodation to venue:

- Please use team buses or vehicles as means of transport if possible.
- Only use the parking spaces allocated and marked for teams (red parking). Only people accredited for the red zone are allowed in the vehicle upon admission to the parking area.

Venue:

- 3G-verification – besides the FIS Guidelines (Austrian Health Regulations): You must have an up to date 3G-verification on every day, meaning one of those three:
 - Vaccination with one of the vaccines mentioned above
 - Recovered like explained above
 - 48h PCR→ You must be able to show this verification every day at the ski area's gondolas!!
- Daily health check: Prior to every training session and competition, every team member must fill in the health check via the FIS Passport. This is mandatory for all team members!
- Maintain the minimum distance!
- Only stay in allocated and marked zones for teams (red zone).
- The team zone (red zone) is locked and can only be accessed by respectively accredited persons.

- FFP2 masks are mandatory in all venue areas. Except...
 - During sports exercise
 - During warm up & directly before start after passing the equipment control
 - During meals
- Food and drinks will be provided via a lunch package.
- Avoid direct contact with other teams.
- Avoid direct contact with members of the press.
- Please only sit with team members in the team hospitality area (avoid contact with other teams).

COVID-19 symptoms and communication:

- Single Point of Contact +43 664 3485920
- In case of a team member not feeling well or showing COVID-19 symptoms, please inform the LOC immediately by calling the Single Point of Contact (SPOC).
- This number can be reached 24 hours a day from the official day of arrival until the official day of departure.
- The LOC will employ measures set out to deal with suspected cases of COVID-19.
- There is an isolation room provided near the venue in case you show symptoms.
- Any communication related to COVID-19 has to be coordinated with the FIS and the LOC (see FIS COVID communication guidelines).
- COVID-19 suspected case management: If there is a suspected case of COVID-19, please contact the SPOC. There will be a team of the Austrian Red Cross on site organizing further procedures including isolation and contacting the authorities. If necessary, the suspected cases will be isolated in their accommodation. In case of a positive test result, the authorities will decide on possible quarantine of further people in the surroundings (e.g., team members). Isolation is imposed exclusively by the responsible health authority.

Leisure activities during your stay in Gastein:

- Please respect COVID-19 measures such as maintaining physical distance, 2G, wearing a face mask, hygiene and avoiding contacts.
- Restrict your activities to necessary purchases and tasks that cannot be postponed.
- Spend your free time only with members of your team or your small group.

To minimize the risk of infection, the LOC makes the following recommendations:

- Form small groups.
- Avoid contact with other teams.
- Avoid contact with staff members of the LOC.
- Avoid contact with tourists/fans.
- Wear a FFP2 mask and maintain the minimum distance between yourself and journalists during interviews.
- Regularly wash your hands and disinfect.
- Document your health and any changes to your health.
